Kansas Docket No. 17-SWBT-158-MIS
Kansas Corporation Commission Staff
Request No. 1
RFI No. 1

Received Date: 10/31/2016
Company Name: Southwestern Bell Telephone Company

QUESTION: Please provide a listing of the census blocks and associated wire centers for which SWBT is requesting ETC relinquishment.

ANSWER: AT&T Kansas was designated as an ETC on an exchange-wide basis in each of its Kansas exchanges. In response to Staff's request, in Attachment 1, AT&T Kansas has made every effort to comprehensively list Census Blocks with any portion of the Census Block in AT&T Kansas' exchanges and the associated wire center(s) which is not listed in Exhibit B of its Application for an Order Confirming ETC Relinquishment ("Application"). But for this request, AT&T Kansas does not have a business or regulatory reason to create or maintain a list of Census Blocks and associated wire centers for which AT&T Kansas will no longer be an ETC. Rather, AT&T's need to track information for certain census blocks arises solely from AT&T's participation in the CAF II program. As explained in AT&T Kansas' Application, the Federal Communications Commission ("FCC") has changed its approach to disbursing high-cost universal service support. Under the new CAF II program, high cost universal service funding is now being dispersed, and certain requirements are being imposed on CAF II funding recipients, based on the FCC's designation of CAF II eligible Census Blocks and certain locations in extremely high-cost Census Blocks designated by the carrier.
