K.C.C. No. 37 With Tariff K.C.C. No. 38.)

SUSPENSION ORDER

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having examined the files and record, the Commission finds and concludes as follows:

On March 30, 2018, Magellan Pipeline Company, L.P. (Magellan) filed an Application requesting Commission approval of Tariff K.C.C. No. 38, replacing Tariff K.C.C. No. 37. Supplementing its Application, Magellan included copies of its Customer Notice to Shippers and proposed Tariff K.C.C. No. 38. The Commission has jurisdiction over this proceeding pursuant to K.S.A. 66-104 and K.S.A. 66-117.

The Commission Staff (Staff) has determined that it needs more than 30 days to fully review Magellan's Application and suspension is required to allow sufficient time for Staff's review and investigation of this matter. Although Staff reserves the full 240 days, Staff recognizes the need for efficient use of Commission resources and time and will thus strive to complete its Report and Recommendation by June 30, 2018.

The Commission finds and concludes that suspension of the Application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The Application should be suspended for a period of 240 days from the date the Application was filed, March 30, 2018, until November 25, 2018, pursuant to K.S.A. 66-117(c).

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

(A) The Commission issues a Suspension Order as provided herein.

(B) The parties have fifteen (15) days, plus three (3) days if service of this Order is by mail, from the date this Order was served in which to petition the Commission for reconsideration of any issue or issues decided herein.¹

(C) The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further orders as it may deem necessary and proper.

BY THE COMMISSION IT IS SO ORDERED.
