2. Pursuant to K.S.A. 2017 Supp. 66-1,129a, 66-1,130, and 66-1,142b, and amendments thereto, the Commission may suspend operations, revoke, or amend certificates, and initiate sanctions or fines against every motor carrier and every person who violates any

provision of Kansas law in regard to the regulation of such motor carriers and persons, or who fails to obey any order, decision, or regulation of the Commission.

3. Pursuant to K.S.A. 2017 Supp. 66-1,129(a)(7), the Commission has adopted motor carrier transportation regulations (K.A.R. 82-4-1 *et seq.*) consistent with the federal motor carrier safety assistance program and other federal requirements concerning transportation of hazardous waste.

II. BACKGROUND

4. Collins AG Service LLC is a motor carrier as defined in K.S.A. 2017 Supp. 66-1,108 that operates commercial motor vehicle(s) in both intrastate and interstate commerce in a manner that requires authority.

5. Collins AG Service LLC is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT Number 3121112.

6. The Commission received notice from the U.S. Department of Transportation, Federal Motor Carrier Safety Administration that Collins AG Service LLC's New Entrant Registration had been revoked effective July 13, 2018, for failure to comply with safety requirements.

7. Pursuant to the above authority, on July 26, 2018, the Commission entered an Emergency Suspension of Operating Authority Order on Collins AG Service LLC in the above-referenced docket, until such time that Staff recommended reinstatement.

III. STAFF'S RECOMMENDATION

8. On August 21, 2018, the Staff of the Transportation Division of the Kansas Corporation Commission (Staff) received notice from the U.S. Department of Transportation,

Federal Motor Carrier Safety Administration, that Collins AG Service LLC has submitted evidence of compliance with safety requirements as required in 49 C.F.R. 385.329. As a result, the carrier's reapplication for New Entrant registration under USDOT No. 3121112 has been approved and the carrier's authority to operate in interstate operations has been reinstated. See attached FMCSA reinstatement documentation.

(B) Collins AG Service LLC remains obligated to attend a Commission-sponsored safety seminar pursuant to the Emergency Suspension of Operating Authority Order at paragraph B., entered on July 26, 2018, and provide proof of attendance to Litigation Counsel.
