4. Each operator of a pit shall file a pit closure form prescribed by the Commission within 30 days after the closure of the pit. Failure to file the pit closure form shall be punishable by a \$100 penalty.⁸

II. FINDINGS OF FACT

9. Commission records indicate that 395 days (365 plus 30) have passed since the subject well was spud. Commission records further indicate a CDP-4 form has not been filed for the subject well.

10. On September 04, 2018, Commission Staff sent a Notice of Violation letter to the Operator, requiring the Operator to file a CDP-4 to comply with K.A.R. 82-3-602 by September 18, 2018.⁹ Commission Staff did not receive a complete and accurate CDP-4 by the deadline in the letter.

A. The Operator shall pay a \$100 penalty.

B. The Operator shall submit a complete and accurate CDP-4 for the pit associated with the subject well.

C. If no party requests a hearing, and the Operator is not in compliance with this Order within 30 days from the date of service of this Order, then the Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this Order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.

NOTICE OF VIOLATION

Re: Surface Pit Closure Form(s) - ("CDP-4")

Operator:

Commission records indicate that for the well(s) on the attached list, you filed an Application for Surface Pit (CDP-1) form for each well along with your Intent to Drill.

If any drilling pits remain open, they must be closed.

Since no CDP-4 is on file for the well(s), you are in violation of K.A.R. 82-3-602(c).

We have not received the necessary Surface Pit Closure Form(s).

Commission records indicate that the well(s) were spudded more than 13 months ago.

Under K.A.R. 82-3-602, drilling pits must be closed within 12 months after the spud date of the well.

Further, an operator must submit a CDP-4 within 1 month after closing a pit.

**Failure to submit a complete, accurate CDP-4
for the pit(s) associated with the well(s) on the attached list
by SEPTEMBER 18, 2018
shall be punishable by a \$100 per-well administrative penalty.**

The information requested above must be submitted on KOLAR. If a CDP-4 is returned to you as incomplete, you do not have additional time - the deadline above governs.

Please contact me at (316) 337-6200 if you have any questions.

Sincerely,

KATHY HAYNES
