RE: Interconnection agreement between SBC and IDT America Corp.

Dear Ms. Duffy:

Enclosed for filing with the Commission is an original and three (3) copies of an Application for Approval of an Interconnection Agreement (the MFN Agreement) between Southwestern Bell Telephone, L.P., d/b/a SBC Kansas ("SBC") and IDT America Corp. ("IDT America") executed on September 23, 2005 and supporting affidavit of Michael Scott, Area Manager-Regulatory Issues of SBC.

IDT America has chosen in the attached MFN Agreement to adopt an interconnection agreement previously approved by the Commission in arbitrated proceedings designed to develop successor agreements for the Kansas 271 Interconnection Agreement. Upon Commission approval the MFN Agreement will supersede the interconnection agreement between SBC and IDT America approved by the Commission in Docket No. 04-SWBT-445-IAT. There are no outstanding issues between the parties that need the assistance of mediation or arbitration. SBC files this MFN Agreement seeking Commission approval of its terms and conditions consistent with the Federal Act of 1996. IDT America is registered as active and in good standing with the Kansas Secretary of State's office.

SBC represents and believes in good faith that the implementation of this MFN Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. SBC specifically requests that the Commission refrain from taking any action to change, suspend or otherwise delay implementation of this agreement, in keeping with the support for competition previously demonstrated by the Commission.

Contact information for IDT America is listed below.

Docket No. 06-SWBT-373-IAT

**APPLICATION OF SOUTHWESTERN BELL TELEPHONE, L.P. FOR APPROVAL OF
INTERCONNECTION AGREEMENT UNDER THE
TELECOMMUNICATIONS ACT OF 1996**

Southwestern Bell Telephone, L.P., d/b/a SBC Kansas ("SBC") hereby files this Application for Approval of an Interconnection Agreement ("the MFN Agreement") with IDT America Corp. ("IDT America"), pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, Public Law No. 104-104 ("Federal Act") and would respectfully show the Kansas Corporation Commission ("Commission") the following:

I. AGREEMENT REACHED

By designating in Section 2.4 of the attached MFN Agreement, IDT America has chosen to adopt an interconnection agreement previously approved by the Commission in arbitrated proceedings designed to develop successor agreements for the Kansas 271 Interconnection Agreement. There are no outstanding issues between SBC and IDT America that need the assistance of mediation or arbitration. The MFN Agreement was executed on September 23, 2005. Upon Commission approval the MFN Agreement will supersede the interconnection agreement between SBC and IDT America approved by the Commission in Docket No. 04-SWBT-445-IAT.

II. REQUEST FOR APPROVAL

SBC seeks the Commission's approval of the MFN Agreement, consistent with the provisions of the Federal Act.

SBC believes that the implementation of this MFN Agreement complies fully with Section 252(e) of the Federal Act because it is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. The MFN Agreement promotes diversity in providers, provides interconnectivity, and will increase customer choices for telecommunications services.

SBC respectfully requests that the Commission grant expeditious approval of this MFN Agreement, without change, suspension or other delay in its implementation. This is a bilateral agreement, reached as a result of negotiation and compromise and the parties do not believe a docket or intervention by other parties is necessary or appropriate.

III. STANDARD FOR REVIEW

The statutory standards of review are set forth in Section 252(e) of the Federal Act which provides as follows:

(e) APPROVAL BY STATE COMMISSION

- (1) APPROVAL REQUIRED.--**Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. A State commission to which an agreement is submitted to shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) GROUNDS FOR REJECTION--**The State Commission may only reject --(A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that --

- (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; or

The affidavit of Michael Scott, Area Manager-Regulatory Issues, establishes that the MFN Agreement submitted herein satisfies these standards. (Affidavit, Attachment II).

IV. KANSAS LAW

The negotiated and executed MFN Agreement is consistent with the Kansas regulatory statutes.

VI. CONCLUSION

For the reasons set forth above, SBC respectfully requests that the Commission approve the MFN Agreement expeditiously.

Respectfully submitted,
