**NOTICE OF ADDENDUM TO ENERGY SUPPLY AGREEMENT**  
**(PUBLIC VERSION)**

HollyFrontier El Dorado Refining LLC (“Frontier”) and Kansas Gas and Electric Company d/b/a Westar Energy (“Westar”) jointly file this Notice of Addendum to Energy Supply Agreement. Frontier and Westar state to the State Corporation Commission of the State of Kansas (“Commission”) as follows:

1. On August 28, 2018, Frontier and Westar filed a Joint Application requesting approval of a proposed Energy Supply Agreement (“ESA” or “Agreement”) between Frontier and Westar.

2. Frontier currently takes service from Westar under an Energy Supply Agreement (“ESA”) that was approved by the Commission on January 2, 2013, in Docket No. 12-KG&E-718-CON, and extended one year by the Commission in Docket No. 18-KG&E-112-CON. The ESA was set to expire on January 2, 2019. On December 6, 2018, the Commission issued an Order extending the current ESA until the issuance of a final Commission Order in this docket.

3. Section 5.1 of the proposed ESA states that “[t]he rates set forth in this Section shall be changed to the rates approved by the KCC in Docket No. 18-WSEE-328-RTS.” Section 5.7.F. of both the currently effective ESA and the proposed ESA further provide that the contract rates charged to Frontier may be adjusted to reflect the same increase or decrease approved for the ILP rate class in a Westar rate case.

4. On September 27, 2018, the Commission approved new rates for Westar customers, including the ILP rate class, in Docket No. 18-WSEE-328-RTS. In compliance with that order, Westar submitted in the general rate case docket an addendum to the currently effective ESA, which set forth the new Frontier rates.

5. Westar and Frontier now submit the attached Addendum to the proposed ESA setting forth Frontier's rates, as adjusted in the Westar rate case. If the ESA is approved by the Commission, these will be the effective rates charged to Frontier under the contract.

WHEREFORE, Westar and Frontier respectfully submit the attached Addendum to Energy Supply Agreement for the Commission's consideration.

Respectfully submitted,
