COMPLIANCE FILING

Kansas Gas Service, a Division of ONE Gas, Inc. (“Kansas Gas Service” or “Company”), pursuant to Kansas’ Utility Financing and Securitization Act, K.S.A. 66-1,240 *et seq.* (“Act”), as well as the Order Approving Unanimous Settlement Agreement and separate Financing Order issued by the State Corporation Commission of the State of Kansas (“Commission”) in Docket No. 22-KGSG-466-TAR (“22-466 Docket”) respectfully submits this Compliance Filing as required by the Commission and as required by Kansas Gas Service’s obligation as Servicer to Kansas Gas Service Securitization I, L.L.C.’s issuance of Securitized Utility Tariff Bonds. In support thereof, Kansas Gas Service states the following to the Commission:

I. CONDENSED BACKGROUND

1. On March 31, 2022, pursuant to the Act and K.S.A. 66-117, Kansas Gas Service filed an Application for Financing Order for the recovery of Qualified Extraordinary Costs and Financing Costs incurred because of the February 2021 Winter Event, commonly referred to as Winter Storm Uri. Kansas Gas Service’s Application was evaluated in the 22-466 Docket.

2. On August 18, 2022, in the 22-466 Docket, the Commission issued two orders on Kansas Gas Service’s Application. In general, the Order Approving Unanimous Settlement Agreement (“Settlement Order”) approved the use of securitized customer backed bonds and other

regulatory issues related to recovering costs incurred during Winter Storm Uri. The Financing Order authorized Kansas Gas Service to issue Securitized Utility Tariff Bonds pursuant to the Act.

3. On November 10, 2022, in the 22-466 Docket, pursuant to the Act and Financing Order, Kansas Gas Service filed its Issuance Advice Letter containing the final terms of the Securitized Utility Tariff Bonds.¹ The Securitized Utility Tariff Bonds closed on November 18, 2022, and the billing of Securitized Utility Tariff Charges began December 1, 2022.

II. COMPLIANCE REQUIREMENTS

4. The Act, Settlement Order, and Financing Order place a series of compliance obligations on Kansas Gas Service. In this Compliance Filing, Kansas Gas Service respectfully submits its true-up to ensure the timely and complete payment of Securitized Utility Tariff Bonds.

5. Kansas Gas Service, acting as the Servicer to Kansas Gas Service Securitization I, L.L.C.'s Securitized Utility Tariff Bonds, must apply an adjustment mechanism to the Company's Securitized Utility Tariff Charges. K.S.A. 66-1,240(b)(2) defines Adjustment Mechanism as:

a formula-based rate adjustment, or true-up process approved by the commission for making, at least annually, expeditious periodic adjustments to securitized utility tariff charges, subject to timely commission review to confirm compliance, that customers are required to pay, as authorized in a financing order. The "adjustment mechanism" is utilized to make necessary corrections to adjust for over-collection or under-collection of such securitized utility tariff charges or otherwise to ensure the timely and complete payment of the securitized utility tariff bonds and all other financing costs and other required amounts and charges payable in connection with the securitized utility tariff bonds.

¹ Kansas Gas Service formed a Special Purpose Entity, Kansas Gas Service Securitization I, L.L.C., which was the issuer of the bonds.

6. Pursuant to the Settlement Order² and Financing Order,³ Kansas Gas Service's Winter Event Securitized Cost Recovery Rider ("WESCR") tariff contains an Adjustment Mechanism. The WESCR's Adjustment Mechanism states, in relevant part:

WESCR Adjustment Mechanism: No less often than every six months, the Company shall adjust the WESCR charge for the over- or under-collections and to ensure the timely and complete payment of Securitized Utility Tariff Bonds and other financing costs.

7. The Financing Order requires true-ups of Securitized Utility Tariff Charges to be "undertaken and conducted in accordance with the Adjustment Mechanism as described in the Form of True-Up attached to [the] Financing Order as Appendix C."⁴ In accordance with the Act, Settlement Order, Financing Order, and WESCR tariff, Kansas Gas Service respectfully submits this True-Up Letter. The True-Up letter, including its internal exhibits and calculations, is attached hereto and incorporated by reference herein as **Attachment A**. Redlined and clean versions of Kansas Gas Service's WESCR tariff are attached hereto and incorporated herein by reference as **Attachment B**.

8. Kansas Gas Service's revised WESCR Charges will become effective July 1, 2024.

9. The Financing Order requires Kansas Gas Service to give notice of all true-up filings to all parties in the 22-466 Docket.⁵ Kansas Gas Service is serving all parties to the 22-446 Docket with a copy of this Compliance Filing.

TRUE-UP LETTER

Date: May 24, 2024

Executive Director

Re: In The Matter of The Application of Kansas Gas Service, a Division of ONE Gas, Inc. For the Recovery of Qualified Extraordinary Costs and Issuance of a Financing Order, Docket No. 22-KGSG-466-TAR

Dear Ms. Retz:

Pursuant to the Financing Order adopted on the 18th day of August 2022 in *In the Matter of The Application of Kansas Gas Service, a Division of ONE Gas, Inc. For the Recovery of Qualified Extraordinary Costs and Issuance of a Financing Order*, Docket No. 22-KGSG-466-TAR (Financing Application) (the “Financing Order”), Kansas Gas Service (the “Utility”), as Servicer of the Securitized Utility Tariff Bonds, or any successor Servicer on behalf of bond trustee as assignee of the Utility shall apply semi-annually for a mandatory periodic adjustment to the Securitized Utility Tariff Charges. Any capitalized terms not defined herein shall have the meanings ascribed thereto in the Financing Order or the Utility Financing and Securitization Act, K.S.A. §§66-1,240 - 66-1,253 (the “Act”).

Each semi-annual true-up adjustment shall be filed with the Commission not less than 30 days prior to the first billing cycle of the month in which the revised Securitized Utility Tariff Charges, calculated under the Winter Event Securitized Cost Recovery Rider (“WESCR”), will be in effect. The Commission staff will have 30 days after the date of the true-up adjustment filing in which to confirm the mathematical accuracy of the servicer’s adjustment. However, any mathematical or clerical correction not made prior to the effective date of the Securitized Utility Tariff Charges (WESCR Charges) will be made in future true-up adjustment filings and will not delay the effectiveness of the Securitized Utility Tariff Charges (WESCR Charges).

Using the formula approved by the Commission in the Financing Order, this filing modifies the variables used in the WESCR calculation and provides the resulting modified Securitized Utility Tariff Charges (or WESCR Charges). Exhibits 1, 2 and 3 show the resulting values of the Securitized Utility Tariff Charges for each Securitized Utility Tariff Charges Customer Class, as calculated in accordance with the Financing Order. The assumptions underlying the current Securitized Utility Tariff Charges were filed by the Utility in an Issuance Advice Letter dated November 10, 2022.

Respectfully submitted,

KANSAS GAS SERVICE, a Division of ONE Gas, Inc.
