RE: **Neutral Tandem-Kansas, LLC**
Docket No. 17-GIMT-426-GIT

Dear Ms. Green:

Pursuant to Docket No. 17-GIMT-426-GIT, dated March 28, 2017, and in compliance with the Federal Communications Commission's Transitional Intrastate Access Service Reductions, Order No. 11-161, please accept the original and three (3) copies of this letter submitted on behalf of Neutral Tandem-Kansas, LLC ("Company"). The Company's terminating intrastate switched access rates currently refer to the corresponding interstate access rates. Accordingly, the Company will not be filing a revision to its intrastate access tariff.

The sixth phase of intercarrier compensation transition will be implemented with a revision of the Company's interstate access rates to benchmark the ILEC rates with an effective date of July 29, 2017.

The Company's interstate tariff can be found at:

<https://apps.fcc.gov/etfs/public/lecTariffs.action?idLec=326>.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3006 or via email to croesel@tminc.com. Thank you for your assistance in this matter.

Sincerely,

Carey Roesel
