Re: Docket 18-GIMT-394-GIT

Dear Ms. Retz,

We are enclosing the FCC Section 254(e) certification form for Federal Universal Service Support in the above referenced docket for LR Communications, Inc. d/b/a Mutual TeleCommunications (MTC).

We are filing Attachment 3a proprietary and confidential under seal. MTC believes that the information contained in Attachment 3a is of such competitive sensitivity that its disclosure to any person other than MTC, the Commission, and Staff is prohibited by K.S.A. 66-1220(a). Disclosure of trade secrets and confidential information to any person, including parties to this proceeding, is prohibited unless the Commission finds the disclosure is warranted, after considering all of the factors in that statute. The carrier believes that disclosure of the information contained in Attachment 3a would have a significant and adverse impact on its competitive stance regarding existing or potential competing entities including wireless carriers, competitive local exchange carriers, and incumbent local exchange carriers. Regulatorily mandated disclosure of any or all of the subject information would create a competitive bias in favor of any actual or potential competitor not required to provide comparable information, reducing or eliminating any benefit to consumers otherwise resulting from unbiased competition and damaging the submitting company's ability to engage in fair competition.

Please feel free to give me a call if you have any questions.

Very truly yours,

Mark E. Caplinger  
Attorney for Mutual  
TeleCommunications
