Lynn M. Retz
Secretary
Kansas Corporation Commission
1500 SW Arrowhead Road
Topeka, KS 66604

Dear Ms. Retz:

Enclosed for filing with the Commission are revisions to the following page of S&T Telephone Cooperative Association's (S&TT) [LEC] General Exchange Tariff:

- Section 3, 1st Revised Sheet 8

With this filing, S&T is changing rates for service connection charges. Based on activity last year, the company estimates an approximate reduction in revenue of \$270 per month, noting, however, that this is only an estimate and will be different dependent upon actual customer activity going forward. The company requests an effective date of October 6, 2017.

Please return a stamped copy of the tariff sheet upon Commission approval.

If you have any questions concerning this filing, please contact me on (785) 862-2001.

Sincerely,

/s/ Tom Maurer

Enclosures

cc: Zack Odell, S&T Telephone Coop. Assn.

2. Central Office Line Connection Charge

For work associated with the installation or changing of central office connections required to provide or change exchange access service requested by service order. Also included is central office work required for off-premise location of extensions.

3. Reconnection (restoration) Charge

For work associated with the reconnection of service following a service disconnect for nonpayment.

- B. Service charges apply, except as specified in this section or in other sections of the tariff, to customer-initiated requests for establishment of telephone service, reconnecting service which has been temporarily disconnected for nonpayment, and establishing miscellaneous service. Service order charges may be provided for in other sections of the tariff.
- C. When service which has been disrupted by fire, accident or natural catastrophe is reestablished, service charges will not apply.
- D. Service connection charges apply to customer-initiated moves and changes of service. A move is relocation of the Company-owned protector or network interface device.

3.52 Regulations

A. Conditions under which no service charges apply:

1. Public Telephone Service.
1. Complete termination of service.
2. The "From" portion of work involved in a transfer of service from one (1) to another premises.
3. Company initiated upgrade in classes of service.
4. Cancellation of service orders.
5. Changes in bill mailing address, or special billing arrangements.

- B. One (1) service order charge and one (1) central office line connection charge apply per customer request to suspend and restore service.

3.53 Application of Charges

Component charges specified hereunder apply to standard installation. All installations requiring extraordinary construction or cost will be charged on actual cost basis, e.g., extensive fishing of wires through residence walls.
