Attention: Mr. Jon Myers,

RE: Notice of Filing Application received by The Corporation Commission of the
State of Kansas; Docket # 18-CONS-3141-CVAC

Dear Mr. Myers,

We're writing you because we got a letter from The Corporation Commision of the
State of Kansas concerning Eastern Kansas Operating,LLC's request to perform
vacuum operation of one well on it's Fischer Lease located in section 21, Township 16
South, Range 25 East, in Miami County, Kansas.

We're concerned about this application which you sent to us and our surrounding
neighbors and are listing these concerns below:

- a.) Disposal of waste water and effect on water tables
- b.) Our individual correlative rights
- c.) Also, the Certificate of Service is not right, it lists the wrong Exhibit and possibly
excludes the other property owners
- d.) The map you have provided in Exhibit B does not follow the State of Kansas's
guidelines
- e.) It does not address current or future noise levels generated from any existing or
future wells and equipment as we are a residential area with over two dozen homes

Thank you in advance for your immediate attention in reviewing our legitimate
Concerns.

Cc: Eastern Kansas Operating LLC

Sincerely,

John and Priscilla Overman
