In the matter of an Order to Show Cause)	Docket No.: 16-CONS-461-CSHO
issued to H.I.T. Resources, Inc. ("Operator"))	
regarding responsibility under K.S.A. 55-179)	CONSERVATION DIVISION
for unplugged wells on an expired license.)

MOTION FOR CONTINUANCE OF PREHEARING CONFERENCE

Staff requests that the pre-hearing conference in this docket, currently scheduled for February 16, 2016, be continued to a date and time during the week of April 18-22, 2016. Staff has been in contact with a representative of Operator, who is not opposed to a continuance. It appears that Operator will either be reworking the well and renewing its license or plugging the well soon, and so Staff believes this matter will be resolved without the need for a hearing. A continuance would most efficiently allow for the matter to be resolved.

Respectfully submitted,
