RE: Notice of Filing Application received from Eastern Kansas Operating LLC for Vacuum Operations on Natural Gas Wells on Fischer Lease located in Miami County, Kansas.

Fischer 6-21, NW, SE, NW, Section 21, Township 16S, Range 25E

Docket No. 18-CONS-3141-CVAC
License No. 34971

Dear Mr. Myers,

I am writing you, protesting in regards to a letter received by Eastern Kansas Operating, L.L.C. with notice of filing an application to request vacuum operations on natural gas wells, Fischer 6-21, API# 12128696, 3651' FSL, 1980' FEL in Miami County Kansas, on it's Fischer Lease located in Section 21, Township 16 South, Range 25 East, Miami County, Ks.

Listed below are my protests of the application sent to me and some of the properties within a half mile radius of wells on this property.

- Our individual correlative rights would not be preserved pertaining to our property assets above & below ground, jeopardizing our present & future property value &/ resale value.
- Concern of proper disposal of waste water.
- Certificate of Service is incorrect, listing the wrong Exhibit and possibly excluding other property owners who may be affected.
- The provided map in Exhibit 'B' does not follow the State of Kansas Guidelines.
- Current and future continual noise levels (Screeching every 3 seconds) generated from existing/future wells and equipment which has disturbed the original quiet & peaceful country setting we purchased in 1995.

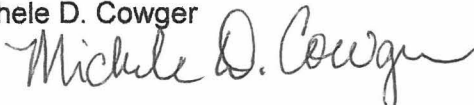

Thank you for your prompt attention in reviewing this matter.

I am requesting a hearing with the Kansas Corporation Commission to review this protest.

cc: Eastern Kansas Operating, LLC

Sincerely,

Michele D. Cowger
