RE: Tariff

Please Provide the Following:

The Commission's Order, dated 11/27/2018, directed the Company to file a revised tariff incorporating Bluestem's tariff without any changes to the tariff other than the name, at least 7 days prior to January 1, 2019. The revised tariff was filed on December 21, 2018. Please confirm that no changes were made to the revised tariff other than to change the name to Consolidated Communications of Kansas and to incorporate the existing tariff provisions for Bluestem.

- A. The replacement General Exchange Tariff, issued by Consolidated Communications of Kansas Company did not incorporate any changes to the rules, regulations, terms, conditions and rates described in the tariff. Changes were made to update the name of the Company. Non-substantive, non-customer impacting clean-up changes were also done to repaginate and renumber sections to eliminate pages and sections which were Reserved for Future Use and to remove two grandfathered packages that Consolidated Communications of Kansas Company will no longer provide and to which no customers are currently subscribed. The two packages are Home Phone Standard Plus and Home Phone 150 Plus. One omission from the former Sunflower tariff was re-inserted in the combined tariff. In the Sunflower tariff effective 3/31/18, on section 3, fifth revised sheet 12, 3.63(a)(4), the rate for "Access Line" was mistakenly deleted. It has been re-added on section 3, original sheet 7 as 3.43(a)(4) in the newly combined tariff. To confirm, this does not represent a change in the existing rate.
