RE: Docket No. 15-CON-052-CPEN

I would like to protest the penalty assessment on the over pressure on Daniels #35, 10-26S-21E, Allen County. The UIC Permit Number is E20952.19. There was a typo on the February pressure of 595#, which should have been 395#.

I feel because this was a typo error, a penalty should not have been given to me.

Attached is a copy of the U3C that was mailed to your office showing the February 595# pressure, where the remainder of the yearly was clearly under 500#. This clearly shows it was a typo error. Also attached is a new copy of the U3C with the proper pressure of 395#, and an affidavit signed by my secretary, Mrs. Janet Mattox showing this was a typo error.

Please contact me regarding your decision on this matter.

Sincerely,

Steve A. Becker, A&A Well Service, Inc.
