**PENALTY ORDER**

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

**I. JURISDICTION**

1. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well. The Commission has licensing authority pursuant to K.S.A. 55-155.
2. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000, and each day of a continuing violation constitutes a separate violation.
3. K.A.R. 82-3-107 and K.A.R. 82-3-130 require that an operator submit a well completion report and all associated documentation. The forms and documents are required to be

submitted within 120 days of the spud date of each well, and the failure to submit the forms and documents is punishable by a \$500 penalty.

## **II. FINDINGS OF FACT**

4. Operator conducts oil and gas activities in Kansas under license number 34362.
5. Operator is responsible for the care and control of the Thelma #1 (“the subject well”), API #15-053-21345-00-00, located in Section 1, Township 17 South, Range 10 West, Ellsworth County, Kansas.
6. Operator submitted a Notice of Intent to Drill (“C-1”) for the subject well and reported to District Staff that the well had been spudded.
7. Operator did not submit a well completion report and associated documents within 120 days of the reported spud date.
8. Production Staff sent a Notice of Violation letter to Operator, requiring Operator to bring the subject well into compliance with K.A.R. 82-3-107 and K.A.R. 82-3-130 by a deadline.
9. Production Staff did not receive a complete, accurate well completion report, with the associated documents, by the deadline in the letter.
10. Production Staff collected evidence and submitted it to the Legal Department with a recommendation that the Commission issue this Order. The recommendation sheet submitted by Production Staff is attached to this Order as Exhibit A, incorporated into this Order, and shall serve as the concise and explicit statement of facts required by K.S.A. 77-526.

## **III. CONCLUSIONS OF LAW**

11. The Commission concludes that it has jurisdiction over the Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

12. The above findings of fact are sufficient evidence to support the conclusion that Operator committed one violation of K.A.R. 82-3-107 and K.A.R. 82-3-130 because Operator did not submit a complete, accurate well completion report, with the associated documents, within 120 days of the spud date.

**THEREFORE, THE COMMISSION ORDERS:**

- A. Operator shall pay a \$500 penalty.
- B. Operator shall submit a complete, accurate well completion report and associated documents.
- C. If no party requests a hearing, and Operator is not in compliance with this Order within 30 days, then Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.
- D. Checks and money orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number, and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding.
- E. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled

only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

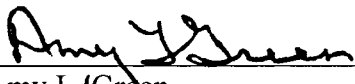

F. If a party requests a hearing, a corporation or similar entity shall not be permitted to enter an appearance except by its attorney. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.
