**RESPONSE OF OPERATOR, ALLISON OIL CO., INC.,
TO SHOW CAUSE ORDER**

Comes now, ALLISON OIL CO., INC., Operator, by and through its attorney of record and states as follows:

- 1) The Operator, ALLISON OIL CO., INC., has been out of business for many years and has no available assets or financial resources to plug an oil or gas well.
- 2) The Operator and its counsel have received a field inspection report, dated 12/10/2015, prepared by KCC staff which finds no evidence of an unplugged well at the alleged Glades T-28 location and no evidence of an unplugged well at the alleged Alexander A-2 well location. After conferring with Jonathan R. Myers, KCC Litigation Counsel, the Operator's attorney was advised that KCC records have been up-dated to delete these two (2) wells from unplugged status.
- 3) The Operator requests an Order directing the KCC to delete the alleged Glades T-

28 well and Alexander A-2 well from unplugged status.

4) The Operator states that it has no objection regarding this matter as to the Alexander A-1 well based on content of the field inspection report, dated 12/10/2015, prepared by KCC staff in connection with this matter. The Operator has been out of business for many years and has no available assets or financial resources to plug the Alexander A-1 well.

WHEREFORE, the Operator requests an Order from the KCC removing the Glades T-28 and Alexander A-2 wells from unplugged status; and that the Operator has no objection to this matter as to status of the Alexander A-1 well with an additional statement that the Operator has been out of business for many years and has no financial resources available to plug the Alexander A-1 well.
