**APPLICATION**

COMES NOW Berexco LLC (“Operator”) for its application in the captioned matter states as follows:

1. Operator is a corporation authorized to do business in the State of Kansas. Operator’s address is 2020 N. Bramblewood, Wichita, Kansas 67206.

2. Operator has been issued by the Kansas Corporation Commission Operator’s License #34318, which expires on October 30th, 2017.

3. Operator is the owner and operator of the Latta A #3 well, API #15-191-43046-00-01 (“the subject well”) which is located in the Northeast quarter of the Northeast quarter of the Southeast quarter of Section 8, Township 30 South, Range 2 West, Sumner County, Kansas. The subject well comprises the following lands:

Northeast quarter of Section 8 and North half of the Southeast quarter of Section 8, Township 30 South, Range 2 West, Sumner County, Kansas, containing 240 acres, more or less (“leased premises”).

4. Pursuant to K.A.R. 82-3-111, Operator obtained temporary abandonment status for the subject well on September 1st, 2003. The subject well has maintained such status from December, 2003, to the present date.

5. On or about December 23rd, 2013, the Kansas Corporation Commission notified Operator that temporary abandonment status for the subject well would be denied because the subject well had been temporarily abandoned for more than ten (10) years. Operator filed for and received approval for an exception to K.A.R. 82-3-111 on April 29<sup>th</sup>, 2014.

6. On or about February 28<sup>th</sup>, 2017, the Kansas Corporation Commission notified Operator that the 3 year exception to K.A.R. 82-3-11 was expiring April 29<sup>th</sup>, 2017. K.A.R. 82-3-111 provides for an additional exception to be obtained through an application filed with the commission. Operator seeks such an exception.

7. The subject well has demonstrated mechanical integrity, as evidenced by passage of a mechanical integrity test on March 17<sup>th</sup>, 2017, which was witnessed by a member of the Kansas Corporation Commission staff.

8. Operator is holding the subject well for use as a backup injection well in the active Latta A Waterflood. Estimated cost to return the well to injection is \$25,000.

9. Operator has included a plat map showing the locations of all producing, injection, temporarily abandoned, abandoned, and plugged wells located on the same leased premises as the subject well.

10. Based on the foregoing, Operator requests the Commission grant a second exception to the 10-year limitation, specifically to allow the subject well to remain eligible for temporary abandonment status for the three (3) years following the April 29<sup>th</sup>, 2017 expiration of the first exception to the 10-year limitation, subject to yearly renewal with the appropriate

Conservation Division District, but without further need to re-apply for a new exception each of the three (3) years prayed for in this application to the Commission.

11. Listed in the attached Exhibit "A" are the names and addresses of the following persons:

- A. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and
- B. Each person who owns any mineral interest of record in and under any lands located within one-half (1/2) mile radius of the subject well (provided that such mineral interest is not covered by any oil and gas lease).

12. Notice of this application will be published pursuant to K.A.R. 82-3-135a. In addition, notice of the hearing to be held in this matter will be provided as prescribed by K.A.R. 82-3-135.

WHEREFORE, Operator prays that this matter be set for hearing, and upon hearing, that the Commission grant Operator's request for a second exception to the 10-year limitation during which well may be temporarily abandoned pursuant to K.A.R. 82-3-111 so as to allow the subject well to remain temporarily abandoned for three (3) years following the expiration of the April 29<sup>th</sup>, 2017 expiration of the exception to the 10-year limitation, subject to yearly renewal with the appropriate Conservation Division District, but without further need to re-apply for a new exception each of the three (3) years prayed for in this application.

Respectfully Submitted,
