**ORDER AMENDING PENALTY ASSESSMENT**

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration. Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

**BACKGROUND**

1. On November 16, 2017, this Commission issued a Penalty Order to Inman Irrigation Specialists, Inc. (hereinafter Inman Irrigation Specialists), assessing it a civil penalty of \$2,150. The penalty was for four (4) violation(s) of Kansas law that governs motor carriers, including various provisions of the Federal Motor Carrier Safety Regulations (FMCSRs), as adopted by the Kansas Administrative Regulations.

2. Inman Irrigation Specialists was advised that it was a New Entrant motor carrier being reviewed for the first time, and may be eligible for a reduced penalty of fifty-percent (50%), as long as it complies with the terms and obligations described in the Notice of Penalty Assessment, the Reduced Penalty Agreement and as set out below.

3. On January 2, 2018, Staff filed a Motion for Order Amending Penalty Assessment, recommending the Commission assess Inman Irrigation Specialists a fifty-percent (50%) reduced penalty of \$1,075, and set out specific terms and obligations for Inman Irrigation Specialists's compliance.

4. Staff states that on November 27, 2017, Inman Irrigation Specialists timely submitted the signed Reduced Penalty Agreement. A copy of the Reduced Penalty Agreement was attached to Staff's Motion. The carrier further submitted a Corrective Action Plan (CAP), which has been approved by Transportation Staff.

#### **FINDINGS OF FACT**

5. The Penalty Order issued on November 16, 2017, assessed Inman Irrigation Specialists a civil penalty of \$2,150 for four (4) violation(s) of the motor carrier safety statutes, rules and regulations.

6. Staff recommended in its Motion that due to Inman Irrigation Specialists's agreement to comply with the terms and obligations for a fifty-percent (50%) reduced penalty and approval of its CAP, an Order Amending Penalty Assessment should be issued by the Commission assessing it a reduced penalty of \$1,075, and setting out the terms and obligations as stated in its motion.

7. K.S.A. 66-1,142c authorizes the Commission to determine the amount of civil penalty and states in pertinent part:

“Any civil penalty may be compromised by the state corporation commission. In determining the amount of the penalty or the amount agreed in compromise, the appropriateness of the penalty to the size of the business, the gravity of the violation and the good faith of the person charged in attempting to achieve compliance, shall be considered.”

**IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:**
