ORDER DENYING APPLICATION FOR LICENSE

The Commission rules as follows:

I. JURISDICTION

1. Under K.S.A. 55-155, the Commission is authorized to license operators and contractors as defined by K.S.A. 55-150.

2. Under K.S.A. 55-155(c)(3), (4), and K.A.R. 82-3-120(g), to obtain approval of a license or license renewal, an applicant:

- a. If registered with the federal securities and exchange commission, must demonstrate to the Commission's satisfaction that the applicant complies with all requirements of Chapter 55 of the Kansas Statutes Annotated, and amendments thereto, all rules and regulations adopted thereunder and all commission orders and enforcement agreements; or
- b. If not registered with the federal securities and exchange commission, must demonstrate to the Commission's satisfaction that the following individuals comply with all requirements of Chapter 55 of the Kansas Statutes Annotated and amendments thereto, all rules and regulations adopted thereunder, and all commission orders and enforcement agreements: (1) the applicant; (2) any

officer, director, partner, or member of the applicant; (3) any stockholder owning in the aggregate more than 5% of the stock of the applicant; and (4) any spouse, parent, brother, sister, child, parent-in-law, brother-in-law, or sister-in-law of the foregoing.

3. K.A.R. 82-3-120(i) provides an application or renewal application shall be denied if the applicant has not satisfied the requirements of K.A.R. 82-3-120, denial of a license constitutes a summary proceeding under K.S.A. 77-537, and a denial pursuant to K.S.A. 55-155(c)(3) or (4) is considered a license revocation. K.S.A. 55-155(e) and K.A.R. 82-3-120(j) provide that upon revocation of a license, no new license shall be issued to that operator or contractor until after the expiration of one year from the date of the revocation.

II. FINDINGS OF FACT

4. On June 24, 2025, Operator submitted an application for license renewal. Upon review, Commission Staff determined the application did not meet the requirements of K.S.A. 55-155(c) and K.A.R. 82-3-120(g) because Operator's license was suspended for noncompliance with the Commission's Penalty Order in Dockets 25-CONS-3007-CPEN and 25-CONS-3046-CPEN.

5. On June 24, 2025, Commission Staff sent a letter to Operator stating Staff would recommend denial of Operator's application if the underlying compliance issues were not resolved by July 24, 2025.¹

6. The Commission takes administrative notice of its records, which indicate Operator's license is still suspended for non-compliance with the Commission's Penalty Orders.²

III. CONCLUSIONS OF LAW

¹ Exhibit A.

² See K.A.R. 82-1-230(h).

7. Operator's application does not meet the requirements of K.S.A. 55-155(c)(4) and K.A.R. 82-3-120(g)(2), because Operator is suspended for non-compliance with Commission penalty orders.

THEREFORE, THE COMMISSION ORDERS THAT:

A. Operator's license application is denied. Operator may not reapply until at least one year from the date of this denial.

B. Operator's application is being denied via summary proceedings; thus, this Order Denying Application for License does not take effect until after the time for requesting a hearing has expired.³ Any party may request a hearing on the above issues by submitting a written request to the Commission at 266 N. Main, Suite 220, Wichita, Kansas 67202, within 15 days from the date of service of this Order.⁴ A request for hearing must comply with K.A.R. 82-1-219. If a hearing is not requested, then this Order Denying Application for License shall become effective upon expiration of the time for requesting a hearing.⁵

C. If this Order Denying Application for License becomes effective, then any party may file and serve a petition for reconsideration pursuant to the requirements and time limits established by K.S.A. 77-529(a)(1).⁶

BY THE COMMISSION IT IS SO ORDERED.
