STATE CORPORATION COMMISSION

MAY 20 2010

In the Matter of the Application of Kansas City )  
Power & Light Company for Approval of its 2010 )  
Energy Efficiency Rider for Program Costs Incurred ) Docket No. 10-KCPE-636-TAR  
January 1, 2009 Through December 31, 2009. )

**JOINT MOTION REQUESTING PROCEDURAL SCHEDULE**

COMES NOW the Staff of the State Corporation Commission of the State of Kansas (“Staff”), the Citizens’ Utility Ratepayer Board (“CURB”), and the Kansas City Power & Light Company (“KCP&L”) (collectively, “Joint Movants”) and files their joint motion for an order of the State Corporation Commission of the State of Kansas (“Commission”) adopting the proposed procedural schedule, as more fully set out below, in the above-captioned matter. In support of their motion, Joint Movants state as follows:

1. On March 31, 2010, KCP&L filed an Application seeking Commission approval of KCP&L’s 2010 Energy Efficiency Rider (“EE Rider”), to recover costs incurred January 1, 2009 through December 31, 2009 (“2009 Program Costs”). Supplementing its Application, KCP&L filed, as Exhibit A thereto, the company’s proposed update Sheet 2 of 2 Sheets of KCP&L’s EE Rider tariff. KCP&L indicates that as of March 31, 2010, the company continues to make preparations to file an application requesting approval of an alternative recovery rider mechanism. Until such time as the company completes its evaluation, files for and receives Commission approval of an alternative energy efficiency program cost recovery mechanism, KCP&L proposes to continue with the recovery approach as set out in the Joint Stipulation and

Agreement reached in Docket No. 07-KCPE-905-RTS (“905 S&A”) and approved by the Commission's November 20, 2007 Order. Accordingly, KCP&L filed its new EE Rider by the March 31 filing deadline established in the 905 S&A seeking Commission approval to recover its 2009 Program Costs incurred from January 1, 2009 through December 31, 2009, with said EE Rider to be effective from July 1, 2010 through June 30, 2011.

2. On April 06, 2010, CURB filed a Petition to Intervene seeking a Commission order granting CURB leave to intervene as a party in this matter. On May 10, 2010, the Commission entered an Order granting CURB’s intervention. Also on May 10, 2010, the Commission entered a Protective Order in this docket.

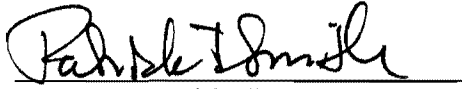

3. Although the 905 S&A established March 31 as the deadline for filing KCP&L’s new EE Rider and July 1 as the date for implementation, no definitive schedule for the filing of Staff’s report and recommendation and intervener comments, or issuance of a Commission order was included. Joint Movants recommend that in the interest of efficiency and timeliness, it would be beneficial to establish such a schedule in this proceeding. Therefore, Joint Movants propose the Commission adopt the following procedural schedule:

- Staffs Report and Recommendation shall be filed on or before 3:00 p.m., May 19, 2010.
- Comments by CURB and any other intervening party shall be filed on or before 3:00 p.m., June 1, 2010.
- Any final response by KCP&L shall be filed on or before 3:00 p.m., June 7, 2010.
- A Commission order shall be issued on or before June 21, 2010.

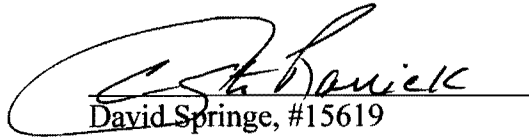

**WHEREFORE**, Staff, CURB, and KCP&L jointly request this Commission approve the proposed procedural schedule contained in paragraph 3, above.

Respectfully submitted,

JOINT MOVANTS
