#### 4.1.13. Free Sage 1+ Long Distance Minutes

Sage Local Service Plans that include free Sage 1+ long distance minutes will be governed by the following rules and regulations.

- 4.1.13.A. The per minute rate for all direct dialed, 1+ long distance or 1+ intraLATA toll calls is stated in Section 4.1.12.A and applies to calls made to points within the continental U.S., Alaska, Hawaii, Puerto Rico, and U.S. Virgin Islands and outside the customer's local (free) calling area. The duration of each call is rounded to the next full minute.
- 4.1.13.B. Customers earn a monthly credit against their 1+ long distance and 1+ intraLATA toll charges based on the table in Section 4.1.13.C. If the total dollar amount of usage is less than the maximum credit allowed, then the customer earns a credit equal only to their actual usage. The credit is offered on a per line basis and is rolled up, along with usage, to the account level for purposes of calculating the monthly allowable credit. There is no carry forward of unused credits.

The credit does not apply to calling card calls, operator assisted calls, and calls made to Directory Assistance.
