REQUIRED FILINGS OF WAMEGO TELECOMMUNICATIONS COMPANY, INC.

Pursuant to Order of the Commission herein Wamego Telecommunications Company, Inc. submits Attachment A and supporting documents as required by the September 17, 2024 order.

Line Count supporting documentation is filed herewith as proprietary and confidential under seal. The company believes that the information contained in this documentation is of such competitive sensitivity that disclosure to any person other than the carrier, the Commission, and Staff is prohibited by K.S.A. 66-1220(a). Disclosure of trade secrets and confidential information to any person, including parties to this proceeding, is prohibited unless the Commission finds the disclosure is warranted, after considering all of the factors in that statute. The company believes that disclosure of the information contained in this documentation would have a significant and adverse impact on its competitive stance regarding existing or potential competing entities including wireless carriers, competitive local exchange carriers, and incumbent local exchange carriers. Regulatorily mandated disclosure of any or all of the subject

information would create a competitive bias in favor of any actual or potential competitor not required to provide comparable information, reducing or eliminating any benefit to consumers otherwise resulting from unbiased competition and damaging the submitting company's ability to engage in fair competition.

Respectfully submitted,
