ORDER AMENDING PENALTY ASSESSMENT

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration. Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

BACKGROUND

1. On September 9, 2017, this Commission issued a Penalty Order to Seven Son's Trucking, LLC (hereinafter Seven Son's Trucking), assessing it a civil penalty of \$2,350. The penalty was for four (4) violation(s) of Kansas law that governs motor carriers, including various provisions of the Federal Motor Carrier Safety Regulations (FMCSRs), as adopted by the Kansas Administrative Regulations.

2. Seven Son's Trucking was advised that it was a New Entrant motor carrier being reviewed for the first time, and may be eligible for a reduced penalty of fifty-percent (50%), as long as it complies with the terms and obligations described in the Notice of Penalty Assessment, the Reduced Penalty Agreement and as set out below.

3. On November 2, 2017, Staff filed a Motion for Order Amending Penalty Assessment, recommending the Commission assess Seven Son's Trucking a fifty-percent (50%) reduced penalty of \$1,175, and set out specific terms and obligations for Seven Son's Trucking's compliance.

4. Staff states that on October 31, 2017, Seven Son's Trucking timely submitted the signed Reduced Penalty Agreement. A copy of the Reduced Penalty Agreement was attached to Staff's Motion. The carrier further submitted a Corrective Action Plan (CAP), which has been approved by Transportation Staff.

FINDINGS OF FACT

5. The Penalty Order issued on September 9, 2017, assessed Seven Son's Trucking a civil penalty of \$2,350 for four (4) violation(s) of the motor carrier safety statutes, rules and regulations.

6. Staff recommended in its Motion that due to Seven Son's Trucking's agreement to comply with the terms and obligations for a fifty-percent (50%) reduced penalty and approval of its CAP, an Order Amending Penalty Assessment should be issued by the Commission assessing it a reduced penalty of \$1,175, and setting out the terms and obligations as stated in its motion.

7. K.S.A. 66-1,142c authorizes the Commission to determine the amount of civil penalty and states in pertinent part:

"Any civil penalty may be compromised by the state corporation commission. In determining the amount of the penalty or the amount agreed in compromise, the appropriateness of the penalty to the size of the business, the gravity of the violation and the good faith of the person charged in attempting to achieve compliance, shall be considered."

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

(A) The civil penalty of \$2,350 assessed to Seven Son's Trucking, LLC in the Penalty Order dated September 9, 2017, is hereby amended to \$1,175.

(B) This Order Amending Penalty Assessment was mailed on November 7, 2017, via certified mail, return receipt requested, Certified Receipt No. 70161970000105742901. Service is complete upon the date the carrier signs the Domestic Return Receipt.

(C) Payment of \$1,175 is due within thirty (30) days from the date of service of this Order Amending Penalty Assessment. Payment must be made through your personal account with the Kansas Corporation Commission's KTRAN system located at <https://puc.kcc.ks.gov/ktran/>. You must have an account through KTRAN to pay the penalty owed.

(D) Seven Son's Trucking is ordered to, within thirty (30) days from the date of the Penalty Order dated September 9, 2017, send an individual responsible for safety compliance to attend a Commission-sponsored safety seminar, and submit proof of attendance to Litigation Counsel.

(E) Seven Son's Trucking must submit to a follow-up compliance review within eighteen (18) months from the date of the Penalty Order. Transportation Staff will contact Seven Son's Trucking to schedule the review.

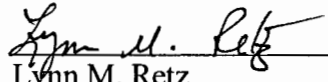

(F) If Seven Son's Trucking fails to pay the reduced fine of \$1,175 and/or fails to comply with the terms and conditions ordered above, the Commission may order Seven Son's Trucking additional sanctions, including enforcement of an out-of-service order, revoking its authority or any further sanctions as the Commission deems necessary.

(G) The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further orders as it may deem necessary and proper.

BY THE COMMISSION IT IS SO ORDERED.
