for an exception to the)
10-year time limitation of K.A.R. 82-3-111 for its) CONSERVION DIVISION
J.T Miller # 1 well located in the SWSWNWNW Sec.28
Township 30 South, Range 3 E Cowley County
Kansas) License No.: 35820

APPLICATION

COMES NOW Thresher Energy Inc. (Applicant) in support
of its application in the captioned matter and states as follows:

1. Applicant is a Limited Liability Company authorized to do business in the State of Kansas. Applicant's address is 2 Northpoint Drive, Suite 800, Houston, Texas 77060.
2. Applicant has been issued by the Kansas Corporation Commission Operator's License 35820, which expires on February 28, 2026.
3. Applicant is the owner and operator of the J.T Miller #1, API #15-035-24228-01-01 (the subject well), which is located in the SW/SW/NW/NW of Section 28, Township 30 South, Range 3 East, Cowley County, Kansas.
4. Pursuant to K.A.R. 82-3-111, the well was shut in, or Applicant obtained temporary abandonment status, for the subject well on August 8th 2015
The subject well has maintained such status from August 8th 2015, to the present date.

5. On or about March 27th 2025, the Kansas Corporation Commission notified Applicant temporary abandonment status for the subject well would be denied from and after August 8th, 2025, because the subject well has been temporarily abandoned for more than ten (10) years.

6. K.A.R. 82-3-111 imposes a 10-year limitation on the amount of time during which wells may be temporarily abandoned, but an exception to the 10-year limitation may be obtained pursuant to said regulation through an application filed with the Commission pursuant to K.A.R. 82-3-100. Applicants seek such an exception.

7. On or About July 22nd , 2025, the subject well passed a Commission Staff-witnessed mechanical integrity test of the casing between the surface and a point within fifty (50) feet above the uppermost perforation or open hole in the well.

8. Applicant wishes to continue TA status for the subject well, because Applicant intends to use the well for the following purpose:

The well will remain shut in for the immediate future. The well is currently under evaluation to be recompleted as a producer or converted to a disposal well.

9. Applicant submits the following information regarding the well in support of the Application:

a. The lease consists of the following wells:

1 TA'ed

b. Estimated cost to P&A the J. T. Miller #1 is \$21,000

c. Current lease production rate – 0 BOD

d. There is an estimated 25 MBO remaining reserves, based on current decline curve analysis.

10. Applicant has included a plat map showing the location of all producing, injection, temporarily abandoned, abandoned, and plugged wells located on the same leased premises as the subject well.

11. Based on the foregoing, Applicant requests the Commission grant an exception to the 10-year limitation, specifically to allow the subject well to remain eligible for temporary abandonment status for three (3) years following the expiration of the 10-year limitation. Applicant understands that the exception would be valid for three (3) years, but Applicant would still need to apply annually to the Conservation Division District Office for approval of an application for temporary abandonment status.

12. Listed in the attached Exhibit "A" are the names and addresses of the following persons:

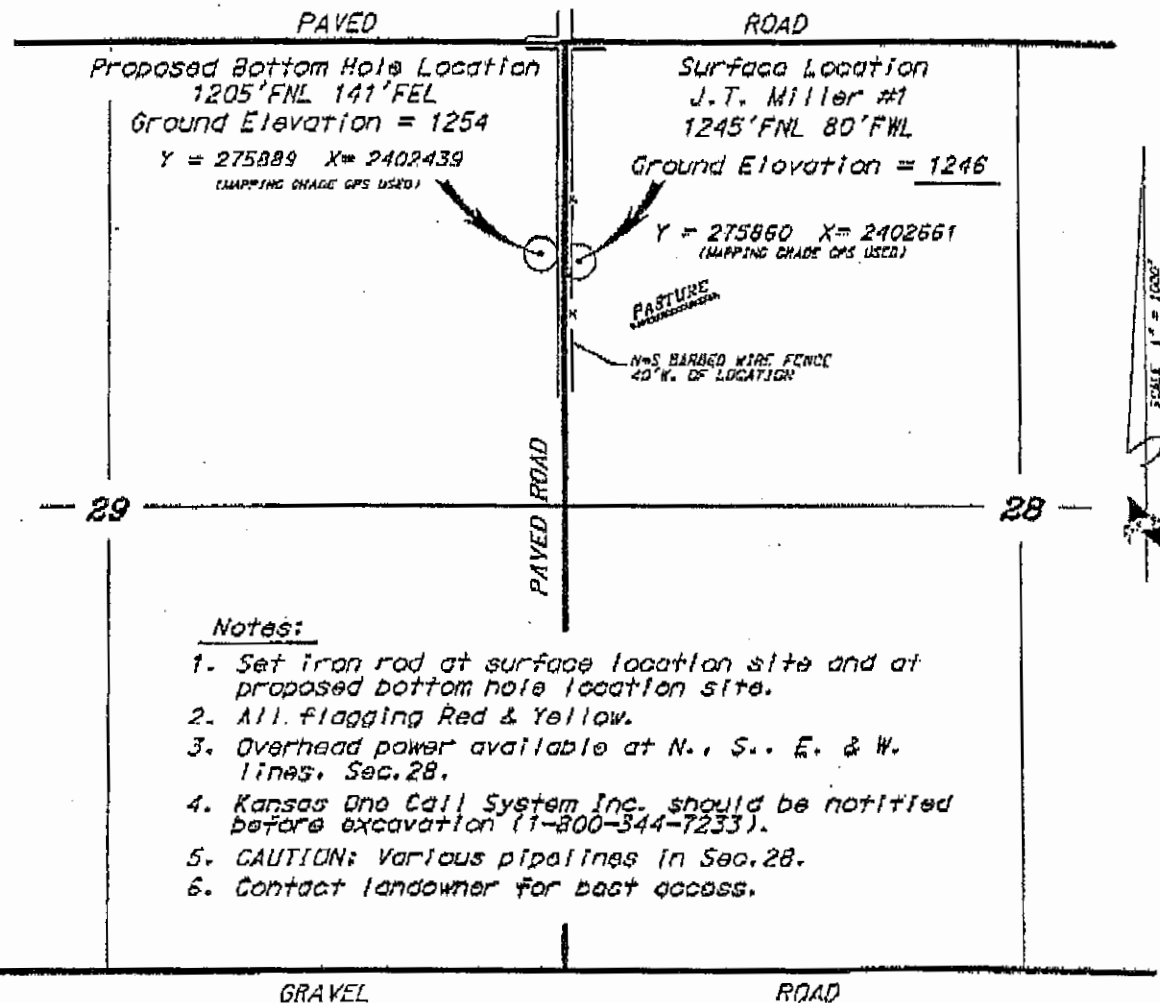

- A. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and
- B. Each person who owns any mineral interests of record in and under any lands located within one-half (1/2) mile radius of subject well (Provided that such material interests is not covered by any oil and gas lease).

13. Notice of this Application will be published pursuant to K.A.R. 82-3-135a.

In addition, notice of the hearing to be held in this manner will be provided as prescribed by K.A.R. 82-3-135.

WHEREFORE, Applicant prays that this matter be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Applicant's request, for an exception to the K.A.R. 82-3-111 ten (10)

**BEFORE THE STATE CORPORATION
COMMISSION OF THE STATE OF KANSAS**

NOTICE OF FILING APPLICATION

RE: Thresher Energy Inc – Application for an exception to the 10-year time limitation of K.A.R. 82-3-111 for the Maddix 11 well, located in Cowley County, Kansas.

TO: All oil and gas producers, unleased mineral interest owners, landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Thresher Energy INC. has filed an Application for an exception to the 10-year time limitation of K.A.R. 82-3-111 for the Maddix 11 well located in the NE NW SE of Section 10-33-5 E, Cowley County, Kansas.

Any persons who object to or protest this Application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within fifteen (15) days from the date of this publication. These protests shall be filed pursuant to Commission regulations and must state specific reason why the granting of the Application may cause waste, violate correlative rights, or pollute the natural resources of the State of Kansas.

All persons interested or concerned shall take notice of the foregoing and shall govern themselves accordingly.
