**PRE-FILED TESTIMONY OF**

**DENISE KLUG**

**ON BEHALF OF COMMISSION STAFF**

**MAY 17, 2024**

1 **Q. What is your name and business address?**

2 A. Denise Klug, 266 N. Main St., Suite 220, Wichita, KS 67202

3 **Q. By whom are you employed and in what capacity?**

4 A. I am employed by the Conservation Division of the Kansas Corporation Commission as a  
5 Program Specialist and the Kansas Online Automated Reporting (KOLAR) Lead.

6 **Q. Would you please briefly describe your background and work experience?**

7 A. I've been with the KCC since August of 2017. During this time my primary responsibility has  
8 been to serve as the KCC resource in the support and development of the KCC module within  
9 the KOLAR website and to provide technical support for KCC Staff and Operators. In this  
10 capacity I also serve the role of KCC KOLAR Administrator. I am responsible for adding  
11 newly licensed operator groups to KOLAR and granting the appointed Electronic Filing  
12 Administrators the KOLAR role of Group Administrator. I have a Bachelor of Science degree  
13 in Computer Information Systems and have over 20 years' work experience in the design,  
14 development, testing, maintenance and support of computer information systems. My  
15 previous job experience includes over 20 years in the banking industry and a little over 7 years  
16 with the City of Wichita IT Department.

17 **Q. Have you previously testified before this Commission?**

18 A. No.

19 **Q. What is the purpose of your testimony in this matter?**

20 A. The purpose of my testimony is to discuss the evidence that supports Staff's position that  
21 Mr. Mark McCann of Quito, Inc. (Quito) is also involved with Thor Operating, LLC.

1 **Q. Are you aware of anything that indicates Mr. Mark McCann is involved with Thor's**  
2 **application for an operator's license?**

3 A. Yes. When operators are first issued a license they are required to complete a Master  
4 Electronic Filing Certification (MEFC) for their Group to be set up on KOLAR. The  
5 agreement must be signed by an authorized agent of the company for the purpose of  
6 appointing an Electronic Filing Administrator who will be granted the role of their KOLAR  
7 Group Administrator. That user is then responsible for adding and removing KOLAR users  
8 for the group and assigning and changing KCC roles for those users.

9 When I received the MEFC for Thor Operating, LLC by email on March 23, 2023, my  
10 Outlook inbox identified the sender as Mark McCann. The email address of the sender was  
11 mccann.companies@outlook.com and the body of the email was signed by Mr. Christopher  
12 A. Williams, as Office Manager for McCann Companies. However, the MEFC submitted  
13 appeared to have an issue with the address, so it had to be returned. I have attached a copy of  
14 the initial MEFC agreement I received with the accompanying email chain as **Exhibit DK-1**.  
15 The next day, I received an amended MEFC from Mr. McCann/Mr. Williams. The email  
16 address provided by Mr. Williams on page 3 of the MEFC was also for  
17 mccann.companies@outlook.com. I have attached a copy of that MEFC to my testimony as  
18 **Exhibit DK-2**. I discussed this with my Supervisor at the time, Ms. Jonelle Rains, Supervisor,  
19 Program Specialist, and she recommended I forward this to our Licensing and Legal staff for  
20 review prior to processing it. On March 24, 2023, I was copied on an email communication  
21 from Ms. Rains, which pointed out that the contact information provided by Mr. Williams on  
22 the amended MEFC matched the contact information for McCann Resources. I have attached  
23 a copy of that email to my testimony as **Exhibit DK-3**. This also matches the contact

1 information for Quito in the Commission's Risk Based Data Management System (RBDMS)  
2 and KOLAR.

3 **Q. Has Thor filed any Request for Change of Operator (T-1) forms with the Commission**  
4 **that would add wells to its license?**

5 A. There are eight T-1 forms in KOLAR which are in an On Hold queue showing the Past  
6 Operator as Quito, Inc. and New Operator as Thor Operating, LLC.

7 **Q. Did you have any additional communications related to this matter worth mentioning?**

8 A. On March 23, 2023, the day I initially received the MEFC by email, I received several calls  
9 from Mr. Williams. Mr. Scott Goetz also joined one of those calls by speaker phone. During  
10 this call, I advised them both that I had noticed there were three KOLAR User Accounts  
11 recently registered with the email address of mccann.companies@outlook.com. Each of the  
12 three KOLAR User Accounts were registered with the name of Scott Goetz. Two of the  
13 accounts had been created on that March 23, 2023 date, and one account was created on March  
14 8, 2023. Mr. Goetz confirmed he had registered all three of those accounts. I explained the  
15 issues that result on KOLAR when multiple users share the same email address, and Mr. Goetz  
16 authorized me to disable two of the accounts he registered with the  
17 mccann.companies@outlook.com email address. Mr. Goetz and Mr. Williams indicated they  
18 would still like to share the same email address, and Mr. Williams indicated he would register  
19 his own user account in his name. I would also like to note that on March 24, 2023, when my  
20 office phone was forwarded to my work cell phone, I had several missed calls from  
21 Bartlesville, Oklahoma. The Caller ID indicated the calls were from "May be Mark McCann".

1 **Q. Do you believe there is a connection between Quito and Thor?**

2 A. There appears to be a connection between the two companies because the MEFC emailed to  
3 me for Thor Operating, LLC indicated it was from Mark McCann. Additionally, a physical  
4 address listed on one of the submitted MEFCs matched the physical address for Quito and  
5 McCann companies. Lastly, the email address associated with the KOLAR user accounts  
6 created by Mr. Goetz was [mccann.companies@outlook.com](mailto:mccann.companies@outlook.com).

7 **Q. Does this conclude your testimony?**

8 A. Yes.

We are returning the attached Master Electronic Filing Certificate to you as unprocessed for the following reasons

Operator Address and Authorized Agent's Mailing Address on page 1 does not match our updated Licensing Records.

Notes in Licensing record indicate the Certificate of License was returned as "undeliverable" when mailed to address listed on this MEFC. When our Licensing department called to speak to Mr. Goetz, he provided an updated address to use for this company.

Additionally, the KOLAR User Account registered by Christopher Williams today during our phone discussion no longer matches the email address for Electronic Filing Administrator as Indicated on the attached agreement page 3. The email address listed on this agreement must match the email address on the KOLAR User profile for the delegated Electronic Filing Administrator.
