Re: Docket No. 21-SWBT-270-IAT – In the Matter of the Application of Southwestern Bell Telephone Company for Approval of Interconnection Agreement Under the Telecommunications Act of 1996 With McLeodUSA Telecommunications Services, LLC

Dear Ms. Retz:

Attached, via electronic filing with the Commission, is AT&T Kansas' Application for Approval of an Amendment to Interconnection Agreement. The Application seeks approval of an amendment to the interconnection agreement between Southwestern Bell Telephone Company d/b/a AT&T Kansas and McLeodUSA Telecommunications Services, LLC ("McLeodUSA") approved by the Commission on March 4, 2021 in the above-captioned docket (hereinafter "the Agreement"). Also attached is the supporting Affidavit of Sally A. Briar, Area Manager-Regulatory Relations.

This proposed amendment modifies DS1 and DS3 transport rates. The Agreement, with this proposed amendment and the attachments incorporated therein, is an integrated package and is the result of negotiation and compromise. There are no outstanding issues between the parties that need the assistance of mediation or arbitration. McLeodUSA is registered as active and in good standing with the Kansas Secretary of State's office.

AT&T Kansas files this proposed amendment to the Agreement seeking Commission approval of its terms and conditions consistent with the Federal Telecommunications Act of 1996. AT&T Kansas represents and believes in good faith that the implementation of this amendment to the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. AT&T Kansas specifically requests that the Commission refrain from taking any action to change, suspend or otherwise delay implementation of this amendment to the Agreement, in keeping with the support for competition previously demonstrated by the Commission.

This Amendment (the "Amendment") amends the Agreements by and between AT&T and CLEC as shown in the attached Exhibit C.

**WHEREAS**, AT&T and CLEC are Parties to the Agreements as shown in the attached Exhibit C, and

**WHEREAS**, CLEC has changed its name and wishes to reflect that name change as set forth herein; and

**WHEREAS**, the Parties desire to amend the Interconnection Agreement to modify certain rates; and

**NOW, THEREFORE**, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. The Amendment is composed of the foregoing recitals and the terms and conditions contained herein, and Pricing Sheets (Exhibit A and Exhibit B), all of which are hereby incorporated by this reference and constitute a part of this Amendment.
2. AT&T shall reflect that name change from “Old CLEC Name” to “New CLEC Name” only for the main billing account (header card) for each of the accounts previously billed to CLEC. AT&T shall not be obligated, whether under this Amendment or otherwise, to make any other changes to AT&T’s records with respect to those accounts, including to the services and items provided and/or billed thereunder or under the Agreement. Without limiting the foregoing, CLEC affirms, represents, and warrants that the ACNA and OCN for those accounts shall not change from that previously used by CLEC with AT&T for those accounts and the services and items provided and/or billed thereunder or under the Agreement.
3. Once this Amendment is effective, CLEC shall operate with AT&T under the “New CLEC Name” for those accounts. Such operation shall include, by way of example only, submitting orders under “New CLEC Name” and labeling (including re-labeling) equipment and facilities with “New CLEC Name”. Any change in CLEC’s name including a change in the “d/b/a”, or due to assignment or transfer of this Agreement wherein only CLEC’s name is changing, and no Carrier Company Code(s) (ACNA/CIC/OCN) are changing, constitutes a CLEC Name Change under this Section. For any CLEC Name Change, CLEC is responsible for providing proof of compliance with industry standards related to any Company Code(s), including notification of the name change to the appropriate issuing authority of those Company Code(s) as required. CLEC must submit the appropriate service request to AT&T-22STATE to update CLEC’s name on all applicable billing accounts (BANs), and CLEC is responsible for all applicable processing/administration and nonrecurring charges for each service request. Should CLEC desire to change its name on individual circuits and/or End User records, CLEC must submit the appropriate service request(s) to AT&T-22STATE to update CLEC’s name on individual circuits and/or End User records, and CLEC is responsible for all applicable processing/administration and nonrecurring charges for each of those service request(s).
4. Add the Pricing Sheet in Exhibit A. The rates in Exhibit A supersede the rates for the corresponding elements in the Pricing Sheet in the Agreement.
5. To the extent CLEC is no longer purchasing commercial local transport pursuant to a separate agreement using the USOCs and Basic Classes of Services set forth on the Pricing Sheet in Exhibit A, CLEC shall provide Notice to AT&T to implement the rates set forth in Exhibit B. Upon verification that CLEC is no longer purchasing commercial local transport, AT&T will implement the rates in Exhibit B. Depending on CLEC’s bill period and AT&T billing system processes, the rate change may take up to two billing cycles to go into effect.
6. EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
7. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.
8. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law, or under the intervening law, or regulatory change provisions, in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.
9. This Amendment shall be filed with the applicable State Commission(s) and will become effective July 12, 2022.
