RE: 14-CONS-030-CEXC Southwestern College #11

Dear Mr. Palmateer:

As of March 10, 2014, I have not received the written approval of the clean-up on the above described well site. Unless I have this approval from the Kansas Corporation Commission by March 25, 2014, I am going to request on behalf of Southwestern College, the landowner, the TA not be approved and the well be plugged. I am awaiting a written approval from the KCC on behalf of Apollo Energies, Inc.

If you have any questions or problems, please do not hesitate to call.

Sincerely,

Thomas G. Schnittker
