RE: S&A Telephone Company  
General Exchange Tariff

Dear Ms. Gilbert:

Enclosed for filing with the Commission are revisions to S&A Telephone Company's General Exchange Tariff as follows:

Section 4, 5th Revised Sheet 8

Proposed revisions introduce a new bundled service voice/data plan for discounted deregulated voice mail and 30 Megabit high speed Internet services. No discounts have been made to regulated services. As a new offering, it is unknown at this time how many customers will subscribe to the new voice/data bundle. However, the Company estimates potential non-regulated revenue of \$300 per year.

We respectfully request this filing become effective June 5, 2015.

Any questions regarding the filing may be directed to the undersigned at the address and telephone number listed above, or by email at [mkluh@jsitel.com](mailto:mkluh@jsitel.com).

Sincerely,

/s/ Marty Kluh
