Gary,

Enclosed, please find CO and CC forms for a territory swap with the City of Anthony (maps included, 2 locations).

1. NW1/4 of the NE1/4 of Section 25-T33S-R6W in Harper County. The City of Anthony is currently serving a gas pipeline installation in the edge of Wheatland service territory (formerly Aquila). Wheatland desires to Cease Operating in order to allow the City of Anthony to continue serving this location.
2. NE1/4 of the NE1/4 of Section 32-T34S-R5W in Harper County. Wheatland desires to serve backup power to a new 138kV switching station owned by Mid-Kansas Electric (Sunflower). The City of Anthony has agreed to Cease Operating at this location in order for Wheatland to be granted a Certificate of Convenience.

No existing consumers will be required to change service providers in this exchange. Don't hesitate to give me a call if you need any additional information.
