PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well. The Commission has licensing authority pursuant to K.S.A. 55-155.

2. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000, and each day of a continuing violation constitutes a separate violation.

3. K.A.R. 82-3-120(a)(1) provides, in part, that no operator shall drill, complete, service, plug, or operate any oil or gas well without first obtaining or renewing an operator

license. K.A.R. 82-3-120(a)(1) further provides that each operator in physical control of any such well shall maintain a current license even if the well is shut in or idle.

4. K.A.R. 82-3-120(a)(2) provides that each licensee shall annually submit a completed license renewal form on or before the expiration date of the current license.

5. K.A.R. 82-3-120(k) provides that the failure to obtain or renew an operator license before operating shall be punishable by a \$500 penalty.

II. FINDINGS OF FACT

6. Operator is responsible for the care and control of the well(s) listed in Exhibit A. Exhibit A is attached and incorporated into this Order, includes Staff's penalty recommendation and the list of wells, and shall serve as part of the concise and explicit statement of facts required by K.S.A. 77-526.

7. As described in Exhibit A, Commission records indicate that Operator was licensed to conduct oil and gas activities in Kansas under K.S.A. 55-155, but that Operator's license has expired. Commission records indicate that an unplugged well, or unplugged wells, remain on Operator's expired license, in violation of K.A.R. 82-3-120.

8. Commission Staff sent notices to Operator, requiring compliance with K.A.R. 82-3-120 by a specific deadline. Operator has not complied.

III. CONCLUSIONS OF LAW

9. The above findings of fact are sufficient evidence to support the conclusion that Operator committed one violation of K.A.R. 82-3-120 because an unplugged well, or unplugged wells, remain on Operator's expired license.

THEREFORE, THE COMMISSION ORDERS:

A. Operator shall pay a \$500 penalty.

B. Operator shall immediately shut-in all unplugged wells on its license and cease oil and gas operations until Operator is in compliance with this Order. Staff may seal the wells until Operator is in compliance with this Order.

C. Operator has 60 days to:

- a. Renew its license or obtain a new license and transfer the well(s) to that license;
- b. Transfer the well(s) to another operator by filing the appropriate form(s) with the Commission; or
- c. Plug the well(s).

D. If any unplugged well(s) remain on Operator's expired license after 60 days, then:

- a. Operator shall pay an additional \$5,000 penalty;
- b. Staff shall revoke any injection authorizations applicable to the subject well(s); and
- c. Staff is directed to place the well(s) on the appropriate state plugging list, to plug according to priority and as funds allow, and to assess the plugging costs to Operator. This shall not preclude Staff from investigating additional potentially-responsible parties.

E. If no party requests a hearing, and Operator is not in compliance with this Order within 30 days, then Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.

F. Checks and money orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number, and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding.

G. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

H. If a party requests a hearing, a corporation or similar entity shall not be permitted to enter an appearance except by its attorney. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record.

I. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
