**STATUS UPDATE ADDING WELLS TO COMPLIANCE AGREEMENT**

On April 11, 2023, the Commission issued an *Order Approving Compliance Agreement* (Agreement) in this docket. The Agreement required Operator to bring 11 wells into compliance with K.A.R. 82-3-111 by bringing 1 well into compliance by May 1, 2023, and two wells into compliance per quarter thereafter.<sup>1</sup> On September 25, 2023, Commission Staff filed a Status Update adding two wells to Operator's Agreement. To date, Operator has brought 9 wells into compliance. The Agreement provides that it may be amended to include additional wells with the written consent of the District Supervisor.<sup>2</sup>

The District #2 Supervisor recommends amending this Agreement to include the Rogers #5-A, API #15-191-22280 and McCorgary D #1, API #15-191-11619 wells (Subject Wells). The addition of these two wells will bring Operator into compliance with its agreement. Operator has indicated it is not opposed to the addition of the Subject Wells to the Agreement. Further, Staff recommends the final compliance deadline be extended to February 1, 2025.
