The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

NOTICE OF VIOLATION

Re: Annual Fluid Injection Report Form(s) - ("U3C Form")

Operator:

Commission records indicate that for the well(s) on the attached list,

We have not received the necessary U3C Form(s), reporting activity during the 2018 calendar year.

It is a violation of K.A.R. 82-3-409 for an operator to fail to submit a U3C Form in a timely manner. Forms reporting activity during the 2018 calendar year were due March 1, 2019.

**Failure to submit a complete, accurate U3C Form
for the well(s) on the attached list
by April 02, 2019
shall be punishable by a \$100 per-well administrative penalty.**

The information requested above must be submitted on KOLAR. If a U3C Form is returned to you as incomplete, you will not have additional time - the deadline above governs.

Forms must be filed regardless of whether injection occurred. If you became responsible for the well after December 31, 2018, you must still file a U3C Form.

Please contact me at (316) 337-6236 if you have any questions.

Sincerely,

Cheri Boyer, KCC Staff
Kansas Corporation Commission
