Key System/Hunt Group Lines
9/30/2018

Key Systems and Hunt Group lines are not separately identified in our billing system. Since some but not all hunt group lines are in key systems, and some but not all key system lines are in hunt groups, it is difficult to get these coded in billing counts without doubling up on some lines.

There is little change in these lines from year to year, so this worksheet was developed manually from billing and central office records to track these lines.

Hunt Group Lines	55
