Docket No. 17-GIMT-426-GIT**

Dear Ms. Green:

Pursuant to Docket No. 17-GIMT-426-GIT, dated March 28, 2017, and in compliance with the Federal Communications Commission's Transitional Intrastate Access Service Reductions, Order No. 11-161, please accept the original and three (3) copies of this letter submitted on behalf of Sage Telecom Communications, LLC ("Company"). The Company's terminating intrastate switched access rates currently refer to the corresponding interstate access rates. Accordingly, the Company will not be filing a revision to its intrastate access tariff.

The sixth phase of intercarrier compensation transition will be implemented with a revision of the Company's interstate access rates to benchmark the ILEC rates with an effective date of July 29, 2017.

The Company's interstate tariff can be found at:

<https://apps.fcc.gov/etfs/public/lecTariffs.action?idLec=652>

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3006 or via email to croesel@tminc.com. Thank you for your assistance in this matter.

Sincerely,

Carey Roesel
