**APPLICATION OF SOUTHWESTERN BELL TELEPHONE COMPANY  
FOR AN ORDER CONFIRMING RELINQUISHMENT OF ITS ELIGIBLE  
TELECOMMUNICATIONS CARRIER DESIGNATION IN SPECIFIED AREAS,  
AND NOTICE OF INTENT TO CEASE PARTICIPATION IN  
THE KANSAS LIFELINE SERVICES PROGRAM**

COMES NOW Southwestern Bell Telephone Company ("SWBT") d/b/a AT&T Kansas (hereinafter "AT&T Kansas"), pursuant to 47 U.S.C. § 214(e)(4), 47 C.F.R. § 54.205, K.S.A. 2015 Supp. 66-2006(d), K.S.A. 2015 Supp. 66-2008, K.S.A. 2015 Supp. 66-2009, K.A.R. 82-1-218 and K.A.R. 2015 Supp. 82-1-219, and respectfully requests an order confirming:

- (i) relinquishment of its Eligible Telecommunications Carrier ("ETC") designation for the portion of its local exchange service areas in the state of Kansas specified herein, effective May 31, 2017; and
- (ii) its notice of intent to cease participation in the Kansas Lifeline Services Program ("KLSP"), effective May 31, 2017.

This Application and Notice provides both the notice required by 47 U.S.C. § 214(e)(4) to relinquish an ETC designation and the 90 days' written notification of AT&T Kansas' intention to cease participation in the KLSP required by K.S.A. 2015 Supp. 66-2006(d).

In support of its Application and Notice, AT&T Kansas states as follows:

## **I. BACKGROUND**

1. AT&T Kansas is an electing carrier pursuant to K.S.A. 2015 Supp. 66-2005(x), as designated by the Commission.<sup>1</sup>

2. AT&T Kansas also is the incumbent local exchange carrier (“ILEC”) in its Kansas exchanges.

3. On December 5, 1997, the State Corporation Commission of the State of Kansas (hereinafter “KCC” or “Commission”), acting upon the proposal of the Commission Staff, designated AT&T Kansas, pursuant to 47 U.S.C. § 214(e)(1)(A) and (B), as an ETC in each of its 135 ILEC exchange areas in Kansas.<sup>2</sup> These exchange areas are listed in **Exhibit A**, attached hereto and made a part hereof by this reference.

## **II. RELINQUISHMENT OF ETC DESIGNATION IN SPECIFIED AREAS**

4. As noted above, the Commission has designated AT&T Kansas as an ETC in the wire centers listed in Exhibit A hereto (“current ETC designated area”).

5. Pursuant to 47 U.S.C. § 214(e)(1), ETCs are eligible to receive federal universal service funding in accordance with 47 U.S.C. § 254, in exchange for which they are required to offer and advertise supported services pursuant to 47 C.F.R. §54.201(d) and meet the obligations associated with the universal service programs in which they participate. Federal universal service funding includes “high cost” support to deploy and maintain networks in rural and other

<sup>2</sup> *Order Granting Eligible Telecommunications Carrier Status*, In the Matter of Establishing Guidelines for Designating Eligible Telecommunications Carriers (ETCs) by the State Commission under the Federal Communications Commission’s (FCC’s) Universal Service Order (FCC 97-157) specifically 47 C.F.R. subparts B and C in Compliance with the 1996 Federal Act Section 254 and Section 214(e), Docket No. 98-GIMT-241-GIT, dated Dec. 5, 1997.

high-cost areas, as well as reimbursement from the Lifeline Assistance Program (“Lifeline”) for offering services to low-income consumers at discounted prices.

6. AT&T Kansas seeks to relinquish its ETC designation in the entirety of its current ETC designated area *except* for the census blocks identified in **Exhibit B** hereto.<sup>3</sup> The area for which AT&T Kansas is relinquishing its ETC designation is referred to as the “relinquishment area.”

7. AT&T Kansas’ relinquishment of its ETC designation in specified areas in Kansas is prompted by changes to the universal service program at the federal level. Most relevant here, the Federal Communications Commission (“FCC”) has now changed its approach to disbursing high-cost universal service support. Under the new approach established in the FCC’s Connect America Fund Phase II (“CAF Phase II” or “CAF II”), an ETC like AT&T Kansas can only receive funding to support and deploy broadband-capable networks in FCC-identified high-cost census blocks in its service areas.<sup>4</sup> A condition of CAF II support is that the carrier remain an ETC in the CAF II census blocks. Accordingly, AT&T Kansas is retaining its ETC designation in the CAF II eligible census blocks and CAF II extremely high-cost census blocks listed in Exhibit B.<sup>5</sup> AT&T Kansas is no longer eligible for high-cost universal service

---

<sup>3</sup> Census blocks are the smallest geographic areas used by the Census Bureau to collect data. They are defined as “statistical areas bounded by visible features, such as streets, roads, streams, and railroad tracks, and by nonvisible boundaries, such as selected property lines and city, township, school district, and county limits and short line-of-sight extensions of streets and roads...” [https://www.census.gov/geo/reference/etc/etc\\_block.html](https://www.census.gov/geo/reference/etc/etc_block.html). Exhibit B also contains a map that shows AT&T Kansas’ wire centers and the census blocks where AT&T Kansas is retaining its ETC designation. AT&T Kansas will also provide an electronic copy of this map.

<sup>4</sup> See generally Report and Order, *Connect America Fund*, 29 FCC Red. 15644 (2014); Report and Order and Further Notice of Proposed Rulemaking, *Connect America Fund*, 26 FCC Red. 17663 (2011) (subsequent history omitted).

<sup>5</sup> In satisfying their CAF II requirements, CAF II recipients like AT&T are permitted to substitute locations in FCC-identified extremely high-cost census blocks for locations in CAF II eligible census blocks. See 47 C.F.R. § 54.310(c)(1).

support in the remaining portions of its service territory, and therefore is relinquishing its ETC designation in those areas.<sup>6</sup>

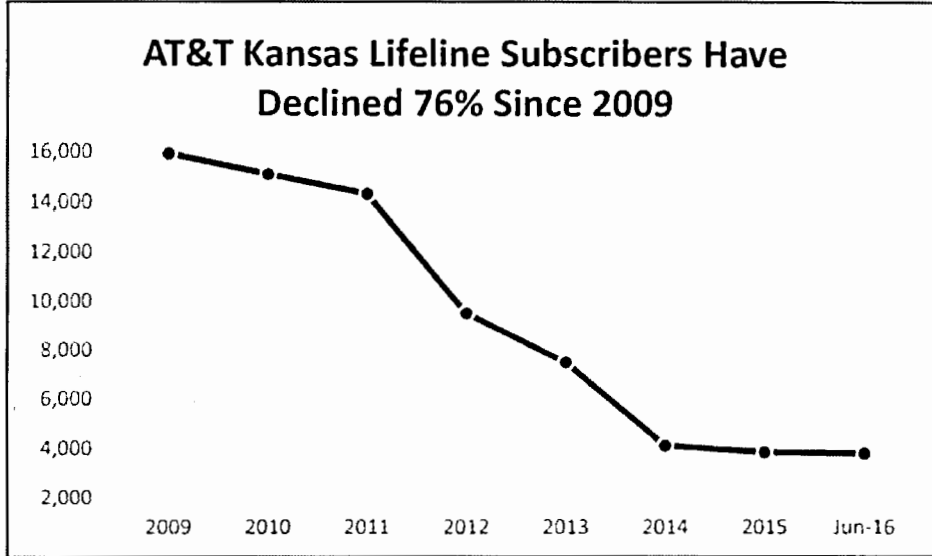

8. There also have been dramatic changes to the telecommunications market since AT&T Kansas was designated as an ETC in Kansas, and those changes affect AT&T Kansas' desire to continue operating as an ETC in the relinquishment area. Customers increasingly are no longer choosing AT&T Kansas' or other ILECs' traditional wireline residential voice service. Instead, they are choosing among numerous other options for their communications needs, including wireless and VoIP services. As a result, the overall number of traditional (*i.e.*, circuit-switched POTS) ILEC wireline residential customers has decreased substantially. Between 2005 and 2015, the number of traditional ILEC residential wireline customers in Kansas decreased 72%, from 711,000 lines to 202,000 lines.<sup>7</sup> AT&T Kansas' retail residential lines declined by about 82% during that same period.

9. AT&T Kansas' number of Lifeline customers in Kansas likewise has plummeted, even as the total Lifeline customers has grown, because consumers have demonstrated a preference for obtaining their Lifeline discount from wireless carriers. While the number of Lifeline customers throughout Kansas grew by 121% from 2009 to June 2016, the number of AT&T Kansas' Lifeline customers declined by 76%. Indeed, by year-end 2015, AT&T Kansas served less than 6.2% of the almost 62,000 Lifeline subscribers in Kansas.

---

<sup>6</sup> If AT&T Kansas elects to participate in the FCC's CAF II auction and is awarded extremely high-cost service areas through that competitive bidding process, AT&T Kansas will file new requests for ETC designation in those areas at that time. See Report and Order and Further Notice of Proposed Rulemaking, *In the Matter of Connect America Fund*, WC Docket No. 10-90 et al., FCC 16-64, 2016 WL 3034969, ¶¶ 149-56 (May 25, 2016) (establishing the ETC designation process for CAF II auction winning bidders).

<sup>7</sup> See FCC Local Competition Reports (2005-2013) and FCC Voice Telephone Service Reports (2014-2015). December 2015 is an estimate.

10. In light of these regulatory and marketplace changes, AT&T Kansas seeks an order confirming relinquishment of its ETC designation in the relinquishment area, effective May 31, 2017. The ETC designation is necessary only to receive high-cost support and, as interpreted by the FCC, to participate in the Lifeline program. AT&T Kansas no longer receives federal high cost support in the relinquishment area, and the relatively small number of AT&T Kansas Lifeline customers in the relinquishment area can obtain Lifeline-discounted service from numerous other ETCs. Thus, for AT&T Kansas, the regulatory obligations associated with being an ETC are no longer justified in the relinquishment area.

11. Furthermore, AT&T Kansas' ETC designation in the relinquishment area is not necessary to achieve universal service objectives. AT&T Kansas' relinquishment of its ETC designation in the relinquishment area will not affect either the ability of other ETCs to participate in the federal universal service program, including Lifeline, or the amount of support available in Kansas. Moreover, after relinquishment AT&T Kansas will continue to offer and provide service in the relinquishment area – the only impact of relinquishment will be that

AT&T Kansas will no longer provide the Lifeline discount in the relinquishment area.

Relinquishment also will not affect AT&T Kansas' deployment of broadband services.

#### **A. Legal Standard For Relinquishing ETC Designation**

12. In 47 U.S.C. § 214(e) (2) and (4) and 47 C.F.R. § 54.205, Congress and the FCC delegated authority to state commissions to designate carriers as ETCs and to permit carriers to relinquish their ETC designation. The standard for relinquishing an ETC designation is set forth in 47 U.S.C. § 214(e)(4), which states, in pertinent part:

**A State commission...shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission...of such relinquishment. (Emphasis added).**<sup>8</sup>

13. Neither federal nor Kansas law treats relinquishment of an ETC designation by an electing carrier/ILEC any differently than relinquishment by other designated ETCs. The Commission has previously allowed carriers to relinquish their ETC designations.<sup>9</sup>

---

<sup>8</sup> 47 U.S.C. § 214(e)(4) also provides, in part:

Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission...shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier.

This language is inapplicable to this request as AT&T Kansas will not discontinue *any* service as a result of the Commission granting this Petition. Rather, AT&T Kansas will continue to provide the services it offers today until such time as it obtains any necessary approvals to discontinue any of them. Thus, even after AT&T Kansas' ETC designation is relinquished, every AT&T Kansas customer will continue to have AT&T Kansas services available.

<sup>9</sup> See, e.g., Order Granting Relinquishment of Wireless Eligible Telecommunications Carrier Status, *In the Matter of Nexus Comms., Inc. for Relinquishment of its Wireless Services*, Docket No. 16-NXCT-428-ETC (Kan.S.C.C., Apr. 14, 2016); Order Cancelling Eligible Telecommunications Carrier Designation, *In the Matter of Cricket Comms., Inc. for Relinquishment of Eligible Telecommunications Carrier Status*, Docket No. 15-CRCZ-296-ETC (Kan.S.C.C., Feb. 10, 2015); Order Granting Request to Relinquish ETC Designation, *In the Matter of dPi Teleconnect, L.L.C. Notice of Relinquishment of its Designation as an Eligible Telecommunications Carrier*, Docket No. 14-DPIT-419-ETC (Kan.S.C.C., Apr. 8, 2014); Order Granting Relinquishment of Eligible Telecommunications

## **B. AT&T Is Entitled To Relinquish Its ETC Designation**

14. AT&T Kansas meets the standard for relinquishing its ETC designation because each wire center in the relinquishment area has at least 7 other designated ETCs (and some wire centers have as many as 14 other designated ETCs).<sup>10</sup> Those other ETCs are listed in **Exhibit C** hereto. To AT&T Kansas' knowledge each of those entities remains a designated ETC in those wire centers in the relinquishment area.

15. After the Commission grants AT&T Kansas' Petition, AT&T Kansas will continue to offer its services to customers throughout the relinquishment area, including low-income consumers. The only change will be that the Lifeline discount will no longer be available to AT&T Kansas' customers in the relinquishment area. AT&T Kansas' current Lifeline customers can continue to receive service from AT&T Kansas or may receive the Lifeline discount from another ETC, as every wire center in the relinquishment area has several other designated ETCs. As of June 30, 2016, AT&T Kansas had only 3,672 Lifeline customers within the relinquishment area in Kansas, a number that has been decreasing over time as eligible consumers have elected to obtain their Lifeline discount from another ETC.

## **III. NOTICE OF INTENT TO CEASE PARTICIPATION IN THE KLSP**

16. Kansas law provides that:

Telecommunications carriers and electing carriers may cease participation in the KLSP at any time upon provision of 90-days prior written notification to the commission. ....<sup>11</sup>

---

Carrier Designation, *In the Matter of Alltel Comms., LLC Notice of Relinquishment of its Designation as an Eligible Telecommunications Carrier*, Docket No. 13-ALTC-212-ETC (Kan.S.C.C., Oct. 19, 2012); Order Cancelling Nex-Tech, Inc.'s ETC Certifications in the United Study Area, *In the Matter of Nex-Tech, Inc.'s Request for Cancellation of Its ETC Certifications in the United Study Area*, Docket No. 07-NTHT-733-ETC (Kan.S.C.C., Mar. 14, 2007).

<sup>10</sup> To be clear, each ETC listed on Exhibit C is a designated ETC in one or more of the wire centers in the relinquishment area, and every such wire center has at least 7 designated ETCs.

<sup>11</sup> K.S.A. 2015 Supp. 66-2006(d).

17. Since September 2015, AT&T Kansas has “self-funded” the \$7.77 monthly KLSP credit to all Kansas Lifeline subscribers and has not sought reimbursement from the Kansas Universal Service Fund (“KUSF”).<sup>12</sup>

18. Pursuant to and in accordance with the provisions of K.S.A. 2015 Supp. 66-2006(d), AT&T Kansas hereby provides the Commission written notification of its intention to cease participation in the KLSP as of May 31, 2017. This is the same date as the ETC relinquishment effective date, which is important to simplify the notice messages AT&T Kansas will provide to affected customers.

#### **IV. CUSTOMER NOTIFICATION OF TERMINATION OF KLSP DISCOUNT AND ETC RELINQUISHMENT**

19. To ensure that each of its affected Lifeline customers receives ample notice of the need to select another ETC in order to continue receiving the Lifeline and KLSP discount, AT&T Kansas will provide two separate series of notices – one to customers in the area where AT&T Kansas is relinquishing its ETC designation (to whom neither the Lifeline nor the KLSP discount will be available from AT&T) and one to those in the area where it will remain an ETC (to whom the Lifeline discount, but not the KLSP discount, will be available from AT&T).

20. Specifically, at least 60 days prior to May 31, 2017, AT&T Kansas will provide notice in a separate letter via U.S. Mail to each of its affected Lifeline customers in the relinquishment area explaining that AT&T will no longer offer a Lifeline or KLSP discount. In those areas AT&T Kansas is not relinquishing, it will send a separate letter to all customers at least 60 days prior to the removal of the KLSP discount from the customer’s account. AT&T Kansas also will send each remaining affected customer a similar second notice letter and a bill

message at least 15 days prior to the effective date. All notices will inform each affected customer that a Lifeline discount and/or KLSP discount can be obtained from the remaining ETCs in the area and will provide the link to lifelinesupport.org through which a customer may obtain carrier-specific contact information. All affected Lifeline customers will continue to receive service from AT&T Kansas, although the KLSP discount (and, in the relinquishment area, the Lifeline discount) will be removed as of the relinquishment effective date. **Exhibit D** is a sample copy of the language that will be used in the two separate sets of letters and bill message that AT&T Kansas intends to deliver to each of its affected customers.

21. To avoid customer confusion and assist with a smooth transition process, AT&T Kansas will stop enrolling all customers in the KLSP and also will stop enrolling customers in the relinquishment area in the federal Lifeline program as of the date the Commission issues an Order as described in the “Relief Requested” section below or March 31, 2017, whichever is later. This approach, which is consistent with the approach taken in other jurisdictions,<sup>13</sup> will

prevent a newly enrolled Lifeline customer from having to change to another Lifeline provider shortly thereafter. In addition, AT&T Kansas will stop enrolling customers in KLSP in the area it is retaining its ETC designation as of the date the Commission issues an Order as described in the “Relief Requested” section below or March 31, 2017.

22. For the foregoing reasons, AT&T Kansas requests that the Commission issue an order granting this Application by March 31, 2017, so that AT&T Kansas can provide ample notice to its affected customers to ensure an orderly transition.

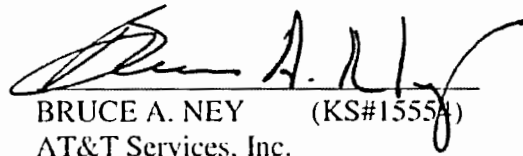

23. After the relinquishment effective date, AT&T Kansas will be an ETC only in the census blocks identified in Exhibit B. Thereafter, that area will be AT&T Kansas’ ETC designated area or ETC service area in Kansas. Further, after the effective date, AT&T Kansas will no longer offer the KLSP discount anywhere in the state.

#### **RELIEF REQUESTED**

For the foregoing reasons, AT&T Kansas respectfully requests that the Commission expeditiously issue an order that:

- (i) confirms AT&T Kansas’ relinquishment of its ETC designation in the relinquishment areas in Kansas, effective May 31, 2017; and,
- (ii) confirms AT&T Kansas’ notice that AT&T Kansas will cease participation in the KLSP, effective May 31, 2017, and directs AT&T Kansas to work with Commission Staff to provide the appropriate notice to affected customers that AT&T Kansas will cease participation in the KLSP.

Respectfully submitted,

Hello {Customer Name},

We will no longer provide a state Lifeline discount through the Kansas State Lifeline program beginning 5/31/2017. This change will not have an impact on the Federal Lifeline discount you are currently receiving.

How does this impact you? While your voice service will not change, you will no longer receive the Kansas State Lifeline discount on your monthly bill. However, you will continue to receive the Federal Lifeline Program discount.

You may be able to obtain the Kansas Lifeline discount by contacting another ETC provider.

Hello {Customer Name},

We will no longer provide a Lifeline discount in your area in Kansas through the Federal and State Lifeline Programs beginning May 31, 2017. This change is due to our decision to no longer be an eligible telecommunications carrier (ETC) in Kansas in your area.

How does this impact you? While your voice service will not change, you will no longer receive the Lifeline discount on your monthly bill. In order to retain your Lifeline discount, you must contact another ETC service provider participating in the Lifeline Program. A list of those providers can be found at [lifelinesupport.org](http://lifelinesupport.org) or you can call Universal Service Administrative Company (USAC) at 888.641.8722.

AT&T has many solutions to fit your voice service needs. If you are interested, please call us at XXX.XXX.XXXX to speak with a representative to find out about other possible solutions.
