**LAHARPE TELEPHONE COMPANY, INC.**  
**ELIGIBLE TELECOMMUNICATIONS CARRIER**  
**CERTIFICATION AND INFORMATION**

Pursuant to Order of the Commission herein LaHarpe Telephone Company, Inc. submits its certification and information supporting its continuing designation as an Eligible Telecommunications Carrier.

LaHarpe Telephone Company, Inc.'s respective attachments other than Attachments 1 and 6 certifications are filed herewith as proprietary and confidential under seal. The carrier believes that the information contained in these attachments are of such competitive sensitivity that disclosure to any person other than the carrier, the Commission, and Staff is prohibited by K.S.A. 66-1220(a). Disclosure of trade secrets and confidential information to any person, including parties to this proceeding, is prohibited unless the Commission finds the disclosure is warranted, after considering all of the factors in that statute. The carrier believes that disclosure of the information contained in these respective attachments would have a significant and adverse impact on its competitive stance regarding existing or potential competing entities including wireless carriers, competitive local exchange carriers, and incumbent local exchange

carriers. Regulatorily mandated disclosure of any or all of the subject information would create a competitive bias in favor of any actual or potential competitor not required to provide comparable information, reducing or eliminating any benefit to consumers otherwise resulting from unbiased competition and damaging the submitting company's ability to engage in fair competition.

Respectfully submitted,
