Interstate Transmission Pipeline)

MOTION TO WITHDRAW APPLICATION

Atmos Energy Corporation ("Atmos Energy"), moves to withdraw the Application filed in the above-captioned docket, without prejudice, for the reasons set forth herein.

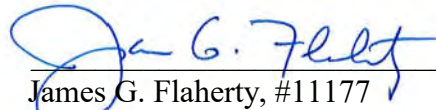

1. On April 17, 2024, Atmos Energy filed an Application with the Kansas Corporation Commission ("Commission") requesting permission to cease and abandon service to certain irrigation and farm tap customers served off the interstate transmission pipeline of Southern Star Central Gas Pipeline, Inc. ("Southern Star").

2. Atmos Energy's request to cease service to 11 farm tap customers was based upon the application of Black Hills/Kansas Gas Utility Company, LLC, d/b/a Black Hills Energy ("BHE"), for a certificate to serve those 11 farm tap customers after it acquired those farm taps from Southern Star filed in the Docket No. 24-BHCG-652-ACQ.

3. On March 19, 2025, BHE filed a motion to withdraw its request for a certificate. BHE indicated it was terminating its acquisition of the Southern Star farm taps. Based upon BHE's motion to withdraw its request for a certificate, Atmos Energy seeks permission to withdraw its application to cease service to those Southern Star farm taps and will continue to provide service to those customers.

WHEREFORE, for the reasons set forth herein, Atmos Energy requests that its Motion to

Withdraw Application in this matter be granted.
