The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and determination. Having examined its files and record, and being duly advised in the premises, the Commission finds and concludes as follows:

1. On August 8, 2023, Boomerang Wireless, LLC, d/b/a enTouch Wireless (Boomerang) filed its Application requesting an order to confirm partial relinquishment of its Eligible Telecommunications Carrier (ETC) designation in specified service areas as indicated in the Application:

In the Matter of the Application of Boomerang Wireless, LLC d/b/a enTouch Wireless Application Seeking Partial Relinquishment of Designation as an Eligible Telecommunications Carrier on a Wireless Basis (Low-Income Only) in a Certain Service Area Previously Served by Underlying Carrier Verizon Wireless and Removal of AT&T Mobility as an Underlying Carrier.

**EXECUTIVE SUMMARY:**

On August 8, 2023, an application was filed by J.A. Gipson Advisors, PLLC, on behalf of Boomerang Wireless, LLC. d/b/a enTouch Wireless (Boomerang) requesting approval from the Kansas Corporation Commission (the "Commission") of an Order to confirm partial relinquishment of its Eligible Telecommunications Carrier (ETC) designation in specified service areas as identified in its Application as full or partial exchange withdrawal; and stating a preferred relinquishment date of October 8, 2023. Boomerang responded to Staff Data Requests 1 and 2 on November 21, 2023. Staff requested a comparison of the original ETC designation of service areas in dockets 13-BOWZ-121-ETC (13-121) and 16-BPWZ-437-ETC (16-437) to the full and partial relinquishment service areas in this filing by wire center and zip code.

**BACKGROUND:**

The Federal and Kansas Telecommunications Acts contain provisions to develop universal service funds to maintain and advance universal service, which led to the establishment of the Federal Universal Service Fund (FUSF) and the Kansas Universal Service Fund (KUSF), respectively. The FUSF provides support through four programs, including the Lifeline program, which assists low-income consumers by providing a discount on their monthly local telephone charges so that telephone service is more affordable.

To be eligible to receive support from the FUSF, a carrier is required to be designated an ETC. A state commission may designate a carrier as an ETC in accordance with 47 U.S.C. § 214(e)(1), which requires:

A common carrier designated as an eligible telecommunications carrier under paragraph (2), (3), or (6) shall be eligible to receive universal service support in accordance with section 254 of this title and shall, throughout the service area for which the designation is received:

- (A) offer the services that are supported by Federal universal service support mechanisms under section 254(c) of this title, either using its own facilities or a combination of its own facilities and resale of another carrier's services (including the services offered by another eligible telecommunications carrier); and
- (B) advertise the availability of such services and the charges therefor using media of general distribution.

The Commission derives its authority to designate ETCs pursuant to 47 U.S.C. § 214(e)(2), which requires:

A State commission shall upon its own motion or upon request designate a common carrier that meets the requirements of paragraph (1) as an eligible telecommunications carrier for a service area designated by the State commission. Upon request and consistent with the public interest, convenience, and necessity, the State commission may, in the case of an area served by a rural telephone company, and shall, in the case of all other areas, designate more than one common carrier as an eligible telecommunications carrier for a service area designated by the State commission, so long as each additional requesting carrier meets the requirements of paragraph (1). Before designating an additional eligible telecommunications carrier for an area served by a rural telephone company, the State commission shall find that the designation is in the public interest.

The Commission derives its authority to order carrier or carriers to provide service to unserved community or portion thereof pursuant to 47 U.S.C. § 214(e)(3), which requires:

If no common carrier will provide the services that are supported by Federal universal service support mechanisms under section 254(c) of this title to an unserved community or any portion thereof that requests such service, the Commission, with respect to interstate services or an area served by a common carrier to which paragraph (6) applies, or a State commission, with respect to intrastate services, shall determine which common carrier or carriers are best able to provide such service to the requesting unserved community or portion thereof and shall order such carrier or carriers to provide such service for that unserved community or portion thereof. Any carrier or carriers ordered to provide such service under this paragraph shall meet the requirements of paragraph (1) and shall be designated as an eligible telecommunications carrier for that community or portion thereof. [Emphasis added].

The Commission derives its authority to permit an eligible telecommunications carrier to relinquish its designation pursuant to 47 U.S.C. § 214(e)(4), which requires:

A State commission...shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission...of such relinquishment. **Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission ... shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier.** The State commission ... shall establish a time, not to exceed one year after the State commission ... approves such relinquishment under this paragraph, within which such purchase or construction shall be completed. [Emphasis added].

On July 27, 2012, Boomerang filed an Application in Docket No. 13-121 requesting ETC designation for the purpose of providing Lifeline service, under its trade name enTouch Wireless, to qualifying low-income Kansas consumers. Boomerang did not request ETC designation for the purpose of receiving high-cost support from either the FUSF or the KUSF. Boomerang requested ETC designation for only federal low-income support in specific non-rural local exchanges in Kansas.

On January 18, 2013, Staff recommended dismissal without prejudice of Boomerang's request for designation as a wireless Lifeline ETC for FUSF purposes because approval would not be in the public interest. Staff's analysis found that Boomerang had a history of late Carrier Remittance Worksheets (CRWs) and KUSF payments going back to 2010, among other issues such as an ambiguous service area request.

On January 31, 2013, Boomerang filed an Amended Application and submitted its responses to Staff's Requests for Information (RFI). Staff received copies of the electronically submitted updates to their Federal filings. As of January 31, 2013, all outstanding KUSF balances and penalty fees were paid. The Company also indicated they have contracted with a third party provider to process their KUSF reports and payments to the KUSF Administrator in the future. On February 5, 2013, Staff recommended withdrawal of its prior recommendation for the dismissal of Boomerang's Application for ETC designation. On March 13, 2013, the Commission issued an Order granting Boomerang's Amended Application for ETC designation for FUSF Lifeline support in specific AT&T Kansas and RLEC exchanges.

On March 24, 2016, Boomerang filed an Application in Docket No. 16-437 to expand its ETC designation in specific RLEC service areas and additional AT&T exchanges for purposes of receiving federal low-income universal support for prepaid wireless services, specific to Lifeline. On September 27, 2016, the Commission issued an Order expanding Boomerang's service area and designated Boomerang a Lifeline-Only ETC in the entire study areas served by Council Grove, Elkhart, Gorham, H&B, Mutual, and United, as listed on Exhibit A to Staff's Report and Recommendation, for the purpose of receiving low-income FUSF support for its wireless customers. Boomerang is also designated a Lifeline-Only ETC in the specific exchanges served

by Craw-Kan, Golden Belt, JBN, Pioneer, Rural, S&T, South Central, Sunflower, Totah, Tri-County, Century Link and AT&T Kansas, as listed on Exhibit A to Staff's Report and Recommendation, for the purpose of receiving low-income FUSF support for its wireless customers. Boomerang stated that it was not seeking KUSF support.

Boomerang is a Limited Liability Company (LLC) organized under the laws of the state of Iowa. Boomerang is authorized to conduct business as an LLC in the state of Kansas and its status is "*active and in good standing.*"<sup>1</sup>

### **ANALYSIS:**

Boomerang filed an Amended Exhibit B, attached to Staff's Report and Recommendation, of the proposed full and partial relinquishment areas that identify references to companies, zip codes, and wire centers. To understand the differences in Boomerang's original (13-121) and expansion (16-437) ETC dockets to the full and partial relinquishment in this filing, a historical analysis was required. Significant change and growth has occurred in Kansas through city expansion and wire center and zip code restructuring. Wire centers have expanded or reduced in size, new ones established, and others eliminated. Staff has identified in the following section the communities that are involved in the full and partial relinquishment.

Boomerang requests full relinquishment in the following communities:

- Almena, Altoona, Americus, Andale, Attica, Atwood, Belle Plaine, Belpre, Benedict, Blue Mound, Bluff City, Brewster, Bucklin, Burdett, Burns, Burrton, Caldwell, Canton, Cedarpoint, Circleville, Coolidge, Delia, Denison, Durham, Ellsworth, Emmett, Freeport, Galatia, Galva, Garden Pl, Geneseo, Geuda Springs, Goessel, Greensburg, Gridley, Grinnell, Hamilton, Hanover, Hardtner, Hartford, Havana, Herndon, Kanorado, Kendall, Kincaid, La Harpe, Lehigh, Levant, Liberty, Lincolnville, Manter, Mapleton, Mayfield, Menlo, Michigan Valley, Neosho Falls, Overbrook, Paxico, Piqua, Princeton, Quincy, Rantoul, Rock, Rossville, Russell Springs, Saffordville, Scammon, South Haven, Toronto, Udall, Wallace, Weskan, Windom, Winona.

Boomerang request partial relinquishment in the following communities:

- Abbyville, Abilene, Agenda, Agra, Albert, Alden, Alexander, Allen, Alton, Anthony, Argonia, Atlanta, Aurora, Axtell, Barnes, Bazine, Beattie, Beeler, Bendena, Bennington, Beverly, Bison, Waterville, Brookville, Brownell, Buhler, Burden, Burr Oak, Cambridge, Carlton, Cassoday, Centralia, Chanute, Cimarron, Claflin, Clearwater, Clyde, Coats, Coffeyville, Colby, Collyer, Conway Springs, Copeland, Corning, Cuba, Damar, Deerfield, Denton, Dexter, Dighton, Dodge City, Downs, Dwight, Edmond, Elk Falls, Ellis, Ensign, Esbon, Everest, Fairview, Farlington, Fontana, Ford, Fowler, Frankfort, Fulton, Galesburg, Garden City, Garnett, Gaylord, Glasco, Glen Elder, Goff, Goodland, Gorham, Gove, Grainfield, Green, Gypsum, Haddam, Havensville, Hays, Hazelton, Hepler, Highland, Hill City, Hoisington, Home, Hudson, Huron, Independence, Inman, Iola, Isabel, Iuka, Jamestown, Jennings, Jewell, Kensington, Kinsley, Kiowa, La Crosse, Lakin, Larned, Latham, Lebanon, Leon, Leonardville, Lewis, Linn, Little River, Logan,

Longford, Long Island, Longton, Lost Springs, Lucas Luray, Lyndon, Lyons, Macksville, Madison, Mahaska, Mankato, Marquette, McLouth, Medicine Lodge, Minneola, Moline, Montezuma, Morganville, Morland, Morrowville, Munden, Murdock, Narka, Nashville, Norcatur, Norton, Nortonville, Nowich, Oakley, Oberlin, Oketo, Olmitz, Onaga, Palco, Palmer, Paradise, Parker, Parsons, Partridge, Pawnee Rock, Phillipsburg, Piedmont, Pittsburg, Plains, Potwin, Powhattan, Prairie View, Pratt, Pretty Prairie, Protection, Quinter, Romona, Randall, Ransom, Reading, Republic, Riley, Rush Center, Salemsburg, Satanta, Savonburg, Sawyer, Scandia, Scott City, Sedan, Selden, Seneca, Sharon, Sharon Springs, Soldier, St Francis, St John, Stafford, Stockton, Summerfield, Sun City, Sylvan Grove, Tescott, Tyro, Vermillion, Victoria, Wakeeney, Walnut, Walton, Wamego, Webber, Westmoreland, Wetmore, White City, Whitewater, Whiting, Wichita, Wilmore, Wilson, Winchester, Woodbine, and Woodston.

Boomerang states in its Application that it sent each affected Life-Line subscriber notices at 60 days, 45 days, 30 days, 15 days and 5 days, beginning August 9, 2023. This is 60 days prior to Boomerang's preferred relinquishment date of October 8, 2023, which is the date Boomerang will no longer have a contract with Verizon or AT&T. The messages contained a link to a webpage with details and contacts for questions. Additionally, Boomerang indicated it may reach out to subscribers via email or telephone if they do not initially respond.

These messages will include:

- (1) Boomerang is changing how we provide Lifeline service in your area which requires impacted subscribers to take action to maintain their Lifeline services;
- (2) Subscribers can make arrangements to keep their Lifeline benefit in your area, and provide a link where alternative Lifeline providers in your area in Kansas can be identified;
- (3) If the subscriber chooses another Lifeline service provider, the subscriber must make arrangements to continue receiving Lifeline service before the disconnect date; and
- (4) A designated toll-free number will be provided that subscribers may call to reach Boomerang's subscriber service representative to assist with the transition.

During the pendency of this docket, Boomerang has continued and will continue to provide existing Lifeline subscribers with the Lifeline Kansas discount and claim reimbursement for the Lifeline discount until such time Boomerang discontinues the services provided via the Verizon Wireless network in Kansas with authorization by Commission Order.

### **(B) ETC Relinquishment**

In the Application, Boomerang states the reason for requesting partial ETC designation is due to a February 2022, corporate ownership change to ViaOne Services. This change resulted in a new mobile virtual network enabler (MVNE) arrangement, where Boomerang will no longer utilize the Verizon and AT&T Mobility networks as underlying carriers. It will continue to utilize the T-Mobile network. Boomerang still has three (3) subscribers in the former Verizon service area that are impacted; zip codes 66605, 67206, and 67216. The remaining 3 subscribers have not responded to the multiple text messages and mail notifications sent by Boomerang. Boomerang has provided sufficient time and numerous notifications to these subscribers encouraging action to keep or continue Lifeline services. AT&T, enTouch Wireless, Tempo Telecom, Safelink Wireless, Q Link Wireless, Access Wireless, Yourtel America, Life Wireless, and Assurance

Wireless are the available carriers that the remaining subscribers will be able to select and continue service.<sup>2</sup> Boomerang will not charge any early termination fees to customers that transition to a new carrier. There are no subscribers on the AT&T Mobility platform and therefore no subscribers will be affected in those service areas.

### **Determine Whether Area is Served by Another ETC**

Attached to Staff's Report and Recommendation is Exhibit C from the Application, which lists the 10 ETCs providing Lifeline services (in addition to Boomerang) in all of the full and partial requested relinquished communities.

### **RECOMMENDATION:**

Staff recommends the Commission issue an Order granting Boomerang's request for KLSP ETC relinquishment as reflected in the filed Amended Exhibit B to Staff's Report and Recommendation.
