**EMERGENCY SUSPENSION OF OPERATING AUTHORITY ORDER**

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) on its own motion. Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

**I. JURISDICTION AND BACKGROUND**

1. Pursuant to K.S.A. 66-1,108b, 66-1,111, 66-1,112, 66-1,114, 66-1,114b and 66-1,115, and amendments thereto, the Commission is given full power, authority and jurisdiction to supervise and control motor carriers, as defined in K.S.A. 66-1,108, doing business or procuring business in Kansas, and is empowered to do all things necessary and convenient for the exercise of such power, authority, and jurisdiction.

2. Pursuant to K.S.A. 66-1,129a, 66-1,130, and 66-1,142b, and amendments thereto, the Commission may suspend operations, revoke, or amend certificates, and initiate sanctions or fines against every motor carrier and every person who violates any provision of Kansas law in regard to the regulation of such motor carriers and persons, or who fails to obey any order, decision, or regulation of the Commission.

3. Pursuant to K.S.A. 66-1,129(a)(7), the Commission has adopted motor carrier transportation regulations (K.A.R. 82-4-1 *et seq.*) consistent with the federal motor carrier safety assistance program and other federal requirements concerning transportation of hazardous waste.

4. K.S.A. 77-536 governs the use of emergency proceedings. The statute provides in part as follows:

- (a) A state agency may use emergency proceedings: (1) In a situation involving an immediate danger to the public health, safety or welfare requiring immediate state agency action or (2) as otherwise provided by law.
- (b) The state agency may take only such action as is necessary: (1) To prevent or avoid the immediate danger to the public health, safety or welfare that justifies use of emergency adjudication or (2) to remedy a situation for which use of emergency adjudication is otherwise provided by law.

## II. FINDINGS OF FACTS

5. Autoline Transport, LLC (Respondent) is a motor carrier as defined in K.S.A. 66-1,108 that operates commercial motor vehicle(s) in both intrastate and interstate commerce in a manner that requires authority.

6. Respondent is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT Number 2201936.

7. On February 2, 2012, the Federal Motor Carrier Safety Administration (FMCSA) forwarded a notice of violation(s) of the federal motor carrier safety regulations to Respondent, wherein Respondent was given 60 days to comply with the regulations.

8. As of April 9, 2012, FMCSA records indicate Respondent had not complied with new entrant requirements. As a result, the FMCSA issued Respondent an

Order to Revoke "New Entrant" Registration And Cease All Interstate Transportation.  
FMCSA's Order is attached hereto.

### **III. STAFF'S RECOMMENDATIONS**

9. Staff asks the Commission to find Respondent received sufficient notice from FMCSA of violations of motor carrier safety rules and regulations and requisite opportunity to correct the violations and to obtain compliance.

10. Staff asks that the Commission find Respondent failed to act upon FMCSA's notice.

11. Staff asks the Commission find that Respondent's failure to comply with requirements of a new entrant audit is sufficient evidence of unsafe motor carrier operations and as such poses a potential immediate threat to the safety and welfare of the public of the state of Kansas.

12. Based on the presented facts, Staff recommends the Commission issue an Emergency Suspension of Operating Authority Order until such time as Respondent takes the necessary steps to obtain compliance with the federal and state motor carrier safety rules and regulations and submits verifiable evidence of the same to Staff, at which time Staff will recommend to the Commission to enter an order of reinstatement of motor carrier operating authority.

13. Furthermore, Staff recommends the Commission order Respondent to attend a Commission-sponsored safety seminar within the next ninety (90) days, and to provide Staff with written proof of attendance.

#### IV. CONCLUSIONS OF LAW

14. The Commission finds it has jurisdiction over Respondent as the Respondent is a motor carrier as defined in K.S.A. 66-1,108.

15. The Commission finds Respondent received sufficient notice from FMCSA of violations of motor carrier safety rules and regulations and requisite opportunity to correct the violations and come into compliance.

16. The Commission finds Respondent failed to act upon this notice.

17. The Commission also finds Respondent's failure to comply with requirements of a new entrant audit is sufficient evidence of unsafe motor carrier operations and as such poses a potential immediate threat to the safety and welfare of the public of the state of Kansas and therefore this Commission orders the Respondent to suspend all intrastate motor carrier operations until such time as the carrier takes the necessary steps to become compliant, to include submitting to Staff verifiable evidence of the correction of the violation noted in FMCSA's April 9, 2012 Order, including, but not limited to, proof of federal reinstatement and attend a Commission-sponsored safety seminar within the next ninety (90) days. A schedule of dates and locations for the safety seminar can be found at the Commission's website [http://www.kcc.state.ks.us/trans/safety\\_meetings.htm](http://www.kcc.state.ks.us/trans/safety_meetings.htm).

A. Autoline Transport, LLC of Lenexa, Kansas is to be immediately suspended from all intrastate commercial motor carrier operations until such time as Respondent presents verifiable evidence, including, but not limited to, proof of federal reinstatement, to Staff documenting the correction of the safety concerns identified in

B. Autoline Transport, LLC of Lenexa, Kansas is hereby ordered to attend a Commission-sponsored safety seminar within the next ninety (90) days and provide Staff with written proof of attendance.

Failure to timely request a hearing will result in a waiver of Respondent's right to a hearing, and this Order will become a Final Order against Respondent, suspending Respondent's motor carrier operations, ordering Respondent to attend a Commission-sponsored safety seminar within the next ninety (90) days and provide Staff with written proof of attendance.

D. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record. A corporation shall not be permitted to enter an appearance, except by its attorney.
