RE: Penalty Order Contest: License #33681

19-CONS-3193-CPEH

Dear Kansas Corporation Commission,

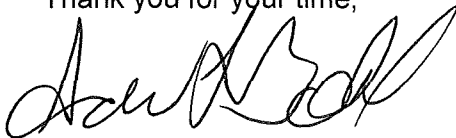

I am writing to you today to appeal my penalty on my personal gas well. I do not remember receiving the letter for renewal nor the second notice. **I have no excuses.** I only have one (1) well, \$25.00 is not a number that I or any sane person would ignore for a \$500.00 fine. Please accept this as a request for a hearing or dismissal of the \$500.00 penalty.

This is an understandable penalty and if I owned and operated a large quantity of wells and was engaged in a dispute with the Commission, I could accept the penalty.

Please review this request.

I will be traveling on business all over the country from January 21 through March 8, 2019. I will only be in Kansas a few days of this period.

Thank you for your time,

Andrew L. Bohl
