SUSPENSION ORDER: AUGUST 29, 2024

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (the “Commission”) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

I. Background

1. On May 1, 2024, Southern Pioneer Electric Company (“Southern Pioneer”) filed an Application seeking Commission approval to make certain changes to its charges for electric services, pursuant to the Consolidated Formula Based Ratemaking Plan approved in Docket No. 19-SPEE-240-MIS.¹

II. Suspension Order

2. K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

¹ Southern Pioneer Electric Company’s Application (May 1, 2024).

3. A full investigation of the Application is deemed necessary and proper. Absent suspension, the Commission and its Staff are without sufficient time to fully review, consider, and analyze whether approval of the Application will result in just and reasonable rates.

4. The Commission finds and concludes that suspension of the effectiveness of the Application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The effectiveness of the Application is hereby suspended for a period of 120 days from the date it was filed, May 1, 2024, until Thursday, August 29, 2024, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.

THEREFORE, THE COMMISSION ORDERS:

A. Pursuant to K.S.A. 66-117(c), the Application in the above-captioned docket shall be suspended, and the effective date deferred, until August 29, 2024.

B. Electronic service shall be utilized for serving pleadings/motions and orders.

C. Any party may file and serve a petition for reconsideration pursuant to the requirements and time limits established by K.S.A. 77-529(a)(1).²

BY THE COMMISSION IT IS SO ORDERED.
