

This is to address commissioners of the state of  
Kansas; Andrew French, Dwight D. Keen, & Annie Kuether.  
Docket No. 22-TRAN-510-Pen.

You are applying fines of \$12,700 to me for what? I  
was never presented with violation codes as to what I  
violated in trucking operations. You say 16 violations  
were made, but no docket numbers were presented to me as  
of 5-9-22. As to what degree of unsatisfactory safety  
ratings are you applying to me? May 3 to 26, 2022 your  
agents were provided with with 6 months of my files.  
Agent Erica Pargas came to my door and demanded the  
past years files or she would get a court order. I  
feel your two agents never treated me with a pleasant  
attitude. I lost an income as to which I couldn't  
pay any fines and drivers. But there is more to this  
story than Ruiz Trucking being in violations, therefore  
I would like a hearing.
