

other remote locations and normal tracking processes have been disrupted. The disruption was aggravated by the increased flow of workload when the Commission's stay orders were lifted on May 14, 2020. As a result of these factors, the deadline date for the response to Staff's R&R in this docket was inadvertently overlooked.

6. Evergy requests the Commission grant Evergy until June 26, 2020 to file its response to Staff's R&R.

Respectfully submitted,
