Re: Docket 13-TWMC-206-VSA  
Renaming of Time Warner Cable Midwest LLC

To Whom It May Concern:

Pursuant to the Video Competition Act (Kan. Stat. § 12-2021 et seq.), Time Warner Cable Midwest LLC, an indirect subsidiary of Charter Communications, Inc. ("Charter"), holds a state-issued Video Service Authorization ("VSA") to provide cable service in localities in Kansas. Charter hereby provides notice that, on September 28, 2018, Time Warner Cable Midwest LLC was renamed Spectrum Mid-America, LLC. There was no change of control of the VSA holder or transfer of the VSA, just a name change. The records with the Kansas Secretary of State's Office have been updated accordingly, and we now seek to update the name of the entity that holds the VSA to provide cable service in Kansas.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,
