State Corporation Commission
of Kansas

To the Attention of the State Corporation Commission of the State of
Kansas.

Before Commissioners: Mark Sievers, Chairman
Thomas E Wright
Shari Feist Albrecht
Jackie Montfoort Paige

In the Matter of Docket No. 13-UTDC-804-SHO

To All To Whom This May Concern:

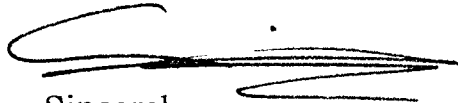

In the above-captioned docket, United Telecom Inc. has recently been notified by the Commission that it has not been in compliance with Commission rules by failing to file the required Annual Report and/or update the KUSF account. United Telecom Inc. investigated the matter and has swiftly rectified the concerns raised in the docket. Below are the findings to the investigation.

Last year, United Telecom Inc. had a change in personnel. The person in charge of the regulatory reports had stepped down from the position, and left the company. During that time the previous employee had formatted her computer and all records of required regulatory reports. We were unable to retrieve any and all previous filed reports and concomitant records. The employee claimed the computer crashed accidentally, followed by her resignation. United Telecom Inc. had to re-investigate all reports due to all proper regulatory agencies and recreate report filings from archived hard copies that were kept. During this time of extreme hardship (as United Telecom Inc. is a very small company with few employees), United Telecom Inc did not find the file for Kansas and, due to inadequate staff, the regulatory requirements of Kansas were overlooked.

United Telecom Inc has been granted a Certificate of Authority to transact business in the state of Kansas since March 2007, and has always been compliant to any and all Commission rules and regulations without failing. Upon notification by the Commissioner, United Telecom

Inc. has filed all reports required by the agencies; updated the KUSF account; and verified that all fees were paid in full, as well. United Telecom Inc is respectfully requesting that the Commission vacate all charges against United Telecom Inc. and allow us to continue doing business in the state of Kansas.

United Telecom highly regrets any inconvenience or annoyance that was experienced by the Complainant in this situation.
