**ORDER CONSOLIDATING DOCKETS**

The Commission rules as follows:

1. On February 14, 2023, the Commission issued a Penalty Order against Operator in Docket 23-3195 for violation of K.A.R. 82-3-407, alleging failure to conduct a mechanical integrity test on the Grundy B #5 SWD. On March 15, 2022, Operator requested a hearing. The Commission designated a presiding officer; a prehearing conference was most recently held on May 18, 2023.

2. On April 13, 2023, the Commission issued a Penalty Order against Operator in Docket 23-3268 for violation of K.A.R. 82-3-407, alleging improper injection at the Grundy B #5 SWD. On May 12, 2023, Operator requested a hearing.

3. Under K.A.R. 82-1-224, the Commission may consolidate two or more dockets for hearing on a common record if the Commission deems it in the public interest. For the sake of judicial efficiency, the Commission finds it in the public interest to consolidate these dockets. They are so consolidated. The Commission notes Operator and Commission Staff were unopposed to consolidation when asked at the May 18, 2023, prehearing conference in Docket 23-3195.

4. These consolidated dockets shall be governed by the procedural rulings already issued in Docket 23-3195, and Mr. Myers shall continue as Presiding Officer. Each subsequent filing submitted in these dockets shall be captioned in the manner this order is captioned and shall be filed only in Docket 23-3195. Commission employees shall then populate the filing in the other docket.
