DESCRIPTION OF THE PARTIES

Wisper ISP, LLC

Wisper ISP, LLC ("Wisper") is a Delaware limited liability company based in Mascoutah, Illinois near St. Louis, Missouri. Its predecessor-in-interest, Wisper ISP, Inc. ("Wisper Inc."), was formed by Nathan T. Stooke ("Stooke") as an Illinois corporation in 2003 to provide broadband services to residences and businesses in rural America. Wisper currently has approximately 19,800 subscribers in Arkansas, Illinois, Indiana, Kansas, Missouri and Oklahoma who receive fixed wireless or fiber-based broadband and voice services. Wisper's customers include residential, commercial, and enterprise customers, including schools, manufacturing facilities and other commercial locations. Wisper offers expanded broadband coverage in previously underserved and unserved rural areas, delivers high-speed Internet at speeds comparable to or exceeding DSL and cable, and provides a competitive alternative to phone, satellite and cable providers. Mr. Stooke has at all times served as Wisper's President, in charge of day-to-day operations and the strategic vision of the company.

Wisper previously provided notice to the Commission of the transfer of control of Wisper to enable Mr. Stooke to increase his ownership percentage from 40.40% to 100%. Accordingly, prior to the Transaction that is the subject of this Notice, Mr. Stooke owns 100% of Wisper.

Mr. Stooke

Mr. Stooke is an owner of Wisper. Prior to the Transaction, Mr. Stooke owned 100% of Wisper. Post Transaction, Mr. Stooke will own 60% of Wisper.

E8 Topco Partnership LP

E8 Topco Partnership LP ("E8 Topco") is an entity that provided debt capital to Wisper that has been converted into a 40% ownership interest in Wisper.

Wisper Topco

Wisper Topco is a parent entity through which E8 Topco and Mr. Stooke will hold their interests in Wisper.

DESCRIPTION OF TRANSACTION

Pursuant to a Purchase agreement between the parties dated June 2, 2023, and a subsequently dated Convertible Promissory Note dated July 13, 2023, E8 Topco provided debt capital to Wisper and the parties agreed that E8 Topco would convert that debt into a 40% ownership interest. Therefore, Mr. Stooke's ownership of Wisper will be decreased from 100% to 60%.

The transaction also involves a corporate reorganization that involves no substantial change in the beneficial ownership of Wisper. As part of this reorganization, Wisper will transfer all of its voting and equity interests to a parent entity, Wisper Topco, through which E8 Topco and Mr. Stooke will hold their interests in Wisper. Mr. Stooke will retain *de jure* and *de facto* control of Wisper Topco's board of directors and its subsidiary, Wisper.

Diagrams depicting the current and proposed ownership of Wisper are attached hereto as Attachment 1.
