MOTION TO MODIFY PROCEDURAL SCHEDULE

White Exploration, Inc. ("White Exploration") moves for an Order modifying the procedural schedule adopted by the Kansas Corporation Commission (the "Commission") in the above captioned docket. In support of this motion, White Exploration states as follows:

1. On March 1, 2017, the Commission entered an Order Setting Procedural Schedule in the above captioned docket (the "Procedural Order"). In that Procedural Order, the deadline for White Exploration and Commission Staff to file their Pre-filed Direct Testimony in this docket was set for April 28, 2017.

2. White Exploration seeks to extend the deadline for both White Exploration and for Commission Staff to file their pre-filed direct testimony in this docket until May 3, 2017.

3. All of the other remaining deadlines in this docket, including the filing of rebuttal testimony on May 8, 2017, the submission of any settlement agreement to the Commission on May 8, 2017, and the evidentiary hearing on May 18, 2017, do not need to be modified and should remain in place.

4. Counsel for White Exploration has consulted with counsel for Norstar Petroleum, Inc. and with counsel for Commission Staff with regard to the extension of time requested

herein, and counsel for those other parties have stated that they are in agreement with the modification to the Procedural Order requested herein.

5. The extension of time requested herein was necessitated by a conflict in the schedule of the witness for White Exploration that was not known until after the Applicant's pre-filed direct testimony was served, and is made in good faith and not for purposes of delay.

WHEREFORE, for the reasons set forth herein, White Exploration requests that the Commission enter an order granting this Motion and modifying the Procedural Order as requested herein, and for such other and further relief as the Commission deems just and proper.
