

BEFORE THE STATE CORPORATION COMMISSION  
OF THE STATE OF KANSAS

In the Matter of the Complaint against )  
Westar Energy, Inc. by Jami Riehm. ) Docket No. 15-WSEE-211-COM

I (Jami Riehm) do not accept Westar Energy's request to dismiss the complaint I filed with the Kansas Corporation Commission against Westar Energy (Docket No. 15-WSEE-211-COM).

I believe this case is important for all customers of Westar Energy in Lawrence, Kansas because it will create an open door for the removal of a product that is harmful to the health of people and animals (Westar Energy's Smart Meters) from all homes and businesses.

I believe this case is necessary because Westar Energy has made a harmful product (their Smart Meters) mandatory to receive electricity and their customers in Lawrence, Kansas don't have any other electric companies to switch their service to.

So I (Jami Riehm) request that the Kansas Corporation Commission not dismiss the complaint I filed against Westar Energy (Docket No. 15-WSEE-211-COM).

Thanks,
